EMBRACING THE NEW NORMAL

Message to shareholders

Dear Shareholder Family,

The past year has certainly seen its fair share of ups and downs. Despite the impact of the second wave, we have much to be proud of. To begin with, I would like to pass on my sincere thanks to every one of our partners, customers, suppliers, employees and their families, for their hard work and resilience. On behalf of Colgate-Palmolive, I would also like to show our gratitude and offer our thanks to all the COVID warriors whose tireless efforts have kept everyone of us and our families safe & healthy. Your

Company continued its contributions towards building the health infrastructure of our Nation with contributions to various public hospitals through the year.

Despite the external challenges around us, your Company continued its relentless focus to deliver sustainable, profitable growth. As a Company, we delivered a strong financial performance across all aspects of the P&L and balance sheet. Our sales crossed a significant milestone- ₹ 5000 crores, another first, while delivering strong profit growth (+4.1%) and strong EBITDA (31%) and gross

margins (67%). I am also pleased to remind you that your Company declared a full year dividend of ₹ 40 for the past financial year.

Our relentless focus on strengthening our brands continues to reflect in the faith our consumers place in our products day in and day out. We are truly proud to have the distinction of being our Nation's #1 most penetration brand (yet again). The loyalty of our consumers is something we hold very dear to our hearts and remain truly humbled by the continued trust they place in our brand and our products.

As a brand, we continue to champion optimism and feel tremendously proud to showcase some real-life heroes who bring this to life everyday with our 'smile karo aur shuru ho jao' communication. Our most recent story features Kiran Kanojia, who despite losing her leg, became India's first blade runner with many marathon wins under her belt. I would also like to offer our homage to Maai or the late Sindhutai who lived our brand belief of everyone deserving a future they can smile about. It is examples like these that continue to inspire us every day.

Our innovation agenda gained even more momentum this past year. We launched some truly revolutionary and superior technologies and products that continue to define the trends in the categories.

Starting with Colgate Visible White O2, a revolutionary new whitening technology that gives you a unique warming feeling as you brush resulting in a smile that allows you to look and feel your best. With our 'Smile out loud' campaign, the brand encourages people to wear their smiles with pride - no matter who you are. We also launched Colgate Gum Expert toothpaste, an ayurvedic product that has been formulated to provide relief from bleeding gums and reverse early signs of gum infections.

The world of toothbrushes also saw some significant innovation - our range of Electric brushes, that are able to give a remarkable cleaning experience.

I am also tremendously excited about the launch of our new Palmolive Face Care range. A portfolio uniquely curated by blending natural ingredients and essential oils in new and exciting product forms like Foaming face washes and souffle scrubs. This range provides efficacious yet experiential solutions.

We remain committed in building capabilities for the future. Our amplified efforts in the world of digital and analytics has resulted in strong growth in our ecommerce

business, strengthening our leadership position across platforms.

We remain unwavering in our efforts to drive social impact and protect our planet. We continue to amplify our ESG efforts by bringing to life our SMILE strategy and plans. I am pleased to let you know that we will be issuing our full ESG report later this year that showcases our efforts to bring to life our vision of re-imagining a healthier future for our people and the planet.

Some key highlights from this include our Nation's first ever recyclable toothpaste tube and RecyClean, the first recycled toothbrush, where the bristles are plant derived and are BPA free while the handle is made from 100% recycled plastic.

Our flagship program, Bright Smiles Bright Futures saw its first 'e-avatar' as we leverage digital platforms to continue our efforts to improve oral health at a grassroots level. Our Keep India Smiling scholarship program continues to offer brighter futures for deserving youngsters and our partnership with Seva Mandir allowed to upskill and train more than 10,000 women from rural and tribal backgrounds on digital and financial literacy. Our 'Save water' initiatives saw us replenish thousands of litres of water in water-stressed rural and tribal areas in Amravati, Maharashtra and Udaipur, Rajasthan.

As I reflect back on the year, I cannot help but give a special call out to our Distributors and their teams. It was their relentless efforts that made sure our products were available to our consumers when and where they wanted it.

My sincere thanks as well to all our employees and their families. Your hard work and dedication makes us who we are. My heartfelt thanks and appreciation to our shareholder family, for your continued trust in the Company. I cannot help but look into the future with even more optimism.

Best wishes,

Ram Raghavan

SMILES SPARK POSITIVITY

OUR **VALUES**

OUR VALUES

We are Colgate-Palmolive, a caring, innovative growth company that's reimagining a healthier future for all people and our planet. Our three fundamental values—Caring, Teamwork and Continuous Improvement—are a part of everything we do. These values are reflected not only in the quality of our products and the reputation of our Company but also in our dedication to serving the communities.

Caring

Your Company has always cared about people: Colgate people, customers, consumers, shareholders and business partners. Your Company is committed to act with compassion, integrity, honesty and the highest ethical standards in all situations, to listen with respect to others and to value differences. The Company is also committed to protect the global environment, to enhance the communities where Colgate people live and work, and to comply with all laws and regulations.

Teamwork

All Colgate people are part of a global team, committed to working together across countries and throughout the world. Only by sharing ideas, technologies and talents can the Company achieve and sustain profitable growth.

Continuous improvement

Colgate is committed to getting better every day in everything it does, as individuals and as teams. Our Company will be successful by better understanding consumers' and customers' expectations and continuously working to innovate and improve products, services and processes.

SMILES AMPLIFY PASSION

OUR **BRAND PURPOSE**

OUR BRAND PURPOSE

A smile is the simplest form of optimism: something we need now more than ever. At Colgate-Palmolive (India), we have been taking care of healthy smiles for more than 85 years. We continue to dedicate ourselves to championing optimism and making the world a better place through the power of a smile.

Our brand purpose is established in a strong belief that 'Everyone deserves a future to smile about'. It adds to the effectiveness of our message of confidence and optimism in endeavors that are close to the heart.

One of the hallmarks of our brand is the ability to celebrate stories of transformation that translate into feelings of optimism, inspiration, and confidence for all our stakeholders. We make sure that each of our efforts at connecting and engaging with our diverse audiences stands true to our brand purpose.

In this respect, our brand campaign 'Smile Karo Aur Shuru Ho Jao', continues to unveil stories that bring people together towards making their lives better.

Smile karo aur shuru ho jao

Our commitment to helping others harness the power of a smile can be compared with the success stories of people who had to walk on the unbeaten path on their way to success. They triumphed over all odds... with a smile! These are the kind of stories our brand campaign *Smile Karo Aur Shuru Ho Jao* celebrates.

The message is aimed at helping people find a reason to smile even when the going gets tough - as everyone deserves a fair chance to create the life they want for themselves. In life, we come across moments that are transformational because of how we feel unsure of ourselves. That is when a smile becomes our secret weapon. It dissolves negative thoughts, strengthens optimism and gives us the power to take the next step forward.

If you've found your smile power, pass it on. Be the reason someone smiles today, so just *Smile Karo Aur Shuru Ho Jao!*

Campaigns on Real people real stories

Kiran Kanojia *India's first woman blade-runner*

Pushed off a train by a band of robbers trying to snatch her bag, 25-year-old Kiran Kanojia had one leg crushed under the wheels of the train. It had to be amputated for her to live.

She decided to do better than that. Live proud and make the country proud as a champion blade-runner; also, India's first woman blade runner.

Today, she juggles her time between running marathons and inspiring youngsters as a motivational speaker. Her smile is the smile of a winner who has won life!

(Late) Sindhutai Sapkal *Mother to the homeless*

Being turned out to the streets by her husband in her 20s, Sindhutai Sapkal found herself living among beggars on a railway station. When she saw orphans around her, she begged more vigorously for food and fed the children. Later, they became her mission in life.

Slowly and gradually, she became 'mai' or mother to thousands of orphans, whom she cared for and brought up. Many of them went on to become doctors, teachers, engineers, and more, and had loving families of their own. Sindhutai passed away in January, 2022.

Campaigns on our products

#SmileOutLoud - Colgate® Visible White O2

The new Colgate Visible White O2 pioneering active oxygen technology helps whiten the teeth to a shade lighter in just 3 days (when used as directed). And researches prove that whiter teeth are not only considered as a sign of health but also adds to one's confidence on how they look. Our #SmileOutLoud campaign for the revolutionary product challenges the age-old conventions of what is considered as 'beauty'. The campaign encourages every young Indian to express their unique beauty through their radiant smiles and not let conventional beauty standards define us, thus expressing ourselves by 'Smile Out Loud'!

#SmileOutLoud celebrates three women influencers - Toshada Uma, Dolly Singh, and Parthana Jagan, who have successfully challenged stereotypes using their unique beauty to make their mark in the world. Their radiantly defiant smiles speak of the bold beauty and confidence with which they face the world, having turned their so-called imperfections into expressions of their authenticity.

#SayYesToYou Palmolive Face Care range

Recognising that modern Indian women put themselves last on their own priority list, impacting their overall well-being, which more often than not takes a toll and shows on their skin. 'Say yes to you', the campaign reiterates the brand's core message that Indian women, who have been conditioned to prioritize everything and everyone but themselves, need to indulge more and make self-care a priority every day. The campaign encourages and normalizes women prioritizing themselves while juggling the many responsibilities they shoulder in life, at work, and within their families.

OUR INNOVATION

OUR INNOVATION

As a global leader in oral care technology, Colgate-Palmolive has a legacy spanning more than two centuries in creating breakthroughs that have helped people all over the world experience better oral and hygiene care on a daily basis.

The impact we have achieved and the trust we enjoy from millions of loyal customers, continues to inspire us. We are committed to bringing forth products that continue to deliver a superior performance in protecting oral health and boosting people's confidence.

During FY 2021-22, our brands Colgate and Palmolive have continued to lead with thoughtfully created solutions aimed at enhancing the quality of life.

Visible White O2

Visible White O2 furthers our highly popular product in the teeth whitening category. When used as directed*, our Visible White O2 toothpaste with unique oxygen technology whitens teeth from the inside out. Its advanced formula releases millions of warm bubbles of oxygen into the mouth, which then get gently absorbed into the enamel, lightening the micro-stain molecules. It works to ensure the colour of your smile is a radiant white.

**Refers to one shade whiter teeth when used as directed on the pack.*

Colgate® Gum Expert

Gum health is a crucial but often neglected part of the general approach to oral care. Colgate Gum Expert was launched to change this.

The unique ayurvedic toothpaste contains curcuminoids extracted from turmeric that are anti-inflammatory and antiseptic in their nature. It is formulated to provide relief from bleeding of gums and reverse early signs of gum infection.

First-ever recyclable toothpaste tubes

As part of our commitment to 100% recyclable packaging for oral care products in India in the coming years, we pioneered the country's first-ever recyclable toothpaste tubes for Colgate Active Salt and Vedshakti variants. The new tube is soft, squeezable and recyclable without compromising on key product attributes like taste, which consumers love and have enjoyed for decades.

Colgate-Palmolive is the first in the world to introduce a recyclable toothpaste tube and is sharing its technology with the industry to support a shift to a greener and much-needed circular economy.

Colgate® ProClinical® Electric Toothbrushes

The Colgate ProClinical electric toothbrushes signify yet another step towards making sure India embraces smart brushing to ensure better cleaning. These electric toothbrushes use sonic technology to more effectively remove the stubborn plaque as well as odour-causing bacteria. The range comprises three variants equipped with different features and is intelligently designed and travel-friendly.

Palmolive Face Care range

The new Palmolive Face Care range inspires women to claim and experience self-love through a premium range of facial care products. Available in three variants formulated to suit most common skin concerns – anti-acne, hydrating, and brightening, these face washes and scrubs are infused with natural ingredients that deliver the magic of natural care.

The Palmolive Hydrating product range: Combines the power of Multani mitti (Fuller's earth) with the soothing effect of lavender essential oil.

The Brightening product range: Conveys the benefits of antioxidants in saffron blended with Roman chamomile essential oil that possesses anti-germ properties.

The Anti-acne range: Cleanses the skin with tulsi leaf extracts combined with lemongrass essential oil known for its role in helping to reduce acne scars.

OUR **STATE-OF-THE-ART** FACILITIES

At Colgate, our innovation goes above and beyond our products and our communication; it is a key feature of our manufacturing prowess.

We not only take pride in our technical standards and constant optimization of resources but also our people that together help us achieve new heights and set benchmarks of success at each plant.

Our manufacturing plants

Sanand (Gujarat)

Spread over 1,53,781 square metres, this is an ultra-modern high-technology facility with end-to-end automation as well as quality control systems. The facility is a Net Zero Water and zero discharge facility and is LEED GOLD certified by Indian Green Building Council (IGBC), True Zero Waste - PLATINUM certified by Green Business Certification Inc (GBCI). It also features a 0.99 MW solar power plant.

It has maintained a zero lost day case rate since the start of the factory in 2014, which is testimony to the safety standards in place.

Goa

Spread over 33,614 square metres, this is the oldest toothpaste manufacturing site in India. Here is where we manufacture our ayurvedic toothpaste.

It is net water positive since 2021 and has also completed 6 years i.e. more than a 7 million man-hours with zero lost time accidents (LTA).

Baddi, Himachal Pradesh

This 36,000 square meter manufacturing facility has the capability to produce all toothpaste variants under a cosmetic license apart from manufacturing mouthwash.

Sri City, Andhra Pradesh

Situated in the Smart Integrated Business City in Andhra Pradesh, this ISO 9001:2015 certified plant is spread over 141,800 square meter area.

It is a True Zero Waste facility, PLATINUM certified by Green Business Certification Inc (GBCI) as well as LEED GOLD certified by the Indian Green Building Council (IGBC). It is a Net ZERO Water site along with an onsite solar power plant.

OUR DISTRIBUTION STRATEGY

At Colgate, we are constantly looking to make the world a better place. Along with our partners, we take innovative steps that help to enhance the way we reach the last mile, homes and consumers across the corners of the country. The pandemic provided us with the opportunity to accelerate our digital transformation journey, led by the evolving needs of our consumer.

This journey is not achievable without the help of our extended family and partners. Our flawless and deeply entrenched distribution and supply chain system led by our valuable partners, some of which have been a part of our journey for over two generations. We are humbled by their trust and support through the journey of evolution in oral care.

A success story

Our digital quest of creating better customer experiences and journeys led us to establish a Digital & Analytics Centre of Excellence (CoE) in India just before the pandemic. The Centre is a dedicated facility for:

- a) Collaborating with various business teams to leverage customer data, helping to find opportunities and areas for growth and
- b) Establishing strong foundations for further digital transformation over the near term

Our team at the CoE comprises top data scientists, engineers and software developers with expertise in specific domains such as digital commerce, media, retail marketing, revenue growth management across direct and indirect channels.

Impact: The CoE has contributed significant gains through early prediction of supply issues in digital commerce and by optimising our cross-platform media spends. It has also helped us to enhance our presence across sub-brands and availability in retail outlets.

Our unique Smile Stores project saw us successfully optimising store-level assortment in our indirect channels by the use of data-driven analytics.

We used predictive analytics to recommend and fulfil the demand for the right variety of products in retail stores across the country. Under the system, each store purchasing one more SKU than their previous average is designated as a Smile Store.

We have received encouraging early reads with 1.08x growth in converted stores.

SMILES KINDLE HOPE

OUR **SUSTAINABILITY INITIATIVES**

Keep India Smiling Foundational Scholarship Program

Our Keep India Smiling Foundational Scholarship Program was launched in 2019, in partnership with ShikshaDaan Foundation and Buddy4Study. It offers deserving candidates, who lack resources, foundational support through scholarships and mentorship in the fields of sports, academics and community betterment programs.

In FY 2021-22, in spite of the COVID-19 challenges, all the scholars were supported with 100% digital payments. One on one mentorship sessions were kicked off for the scholars in the education category. So far 1,650 scholars have been selected from 213 districts across 25 states. 84% of scholars come from families having an income of less than Rupees One lakh per annum.

Digital Literacy for Women

A Digital and Financial literacy Program was launched in one of the villages. As a first step in the program, 100 Digital Smile Sakhis have been trained, who have further trained 10,000 women in FY 2021-22. We aim to train 50,000 women by 2025 from tribal, rural, urban areas & from less privileged backgrounds of Udaipur, Rajasthan.

COVID assistance

Continuing our efforts towards fighting the pandemic we ensured necessary support in strengthening medical equipment infrastructure in Government Hospitals/ Primary Health Centers across the country. In addition to our CSR programs, we partnered with NGOs on upskilling women in health care assistance in rural areas across geographies to support needs of the health care personnel.

Women Empowerment with Water Augmentation

Water is one of the key pillars of Colgate's sustainability initiatives.

Colgate partnered with *Seva Mandir* for a comprehensive program developed to support livelihoods for women by enabling water availability and accessibility through various water augmentation interventions. The program supports more than 27,000 villagers, benefiting through enhanced agricultural livelihood, 1,200+ women beneficiaries directly across tribal villages in and around Udaipur, Rajasthan.

Colgate has expanded its partnership with water for people India Trust in additional 14 villages in Amravati district in Maharashtra to support accessibility of safe drinking water and water availability for sanitation. So far, water supply work has been completed in 21 villages and all schools and Ashramshalas in program location are equipped with safe drinking water and water for sanitation. More than 16,000 villagers have been benefited.

Cleft Surgery bringing Smiles Back

Close to the end of calendar year 2021, we launched a new Social Impact Program on Cleft surgeries and comprehensive care for the children belonging to low-income families, in partnership with NGO Mission Smile. The program was rolled out in Assam, Meghalaya, Gujarat, Tamil Nadu, Andhra Pradesh & Sikkim. We accomplished 275 surgeries by March 2022.

OUR PEOPLE

OUR PEOPLE

Our people at Colgate are the united force who drive our desire to create lasting impact and progressive growth. Their smiles are our foremost priority. We continuously strive to create a conducive environment for them, through people-friendly and inclusive policies that encourage growth, fairness, trust, equity, and transparency.

We adhere to the 'Managing with respect' and 'Valuing People' principles which are applicable to each one of us as well as our customers, our supply chain partners, and other key stakeholders.

Our journey over the past few years records the evolutionary steps undertaken to ensure our employees and their families continue to benefit from their engagement with Colgate. In this ongoing journey, we will continue to track our progress and review our policies to ensure employee engagement and well-being.

Our journey of Diversity, Equity, and Inclusion

Early on in our journey we included domestic partners (same or opposite sex) within the definition of 'family', from the perspective of various HR policies. Over the last two years, we revamped our Leave Policy for employees, with special emphasis on giving an equal opportunity to parents for childcare, regardless of gender, sexual orientation or way of becoming a parent.

We aspire to a workforce that mirrors the diversity of our consumers, customers and business partners around the world. We want our people to feel confident and proud to bring their authentic selves to work.

We continue to sensitize our people to the importance of DE&I through awareness sessions held on the subject around the year along with allyship training to understand how they can champion and support a diverse workforce.

LEAP

The post-pandemic world calls for a new set of paradigms, beliefs, and strategies for success. For businesses to grow sustainably, our leadership paradigm needs to change in a way that reflects the realities of a new world.

We hence embarked on a journey to reimagine leadership development for Colgate-Palmolive India. The erstwhile Business Leadership Program was rechristened LEAP-Leadership Experiences and Advancement Program. LEAP offers young talent the diversity of experiences that they are seeking early on, while building critical future-ready capabilities for the organization with a focus on strengthening the 'core fundamentals'.

NOTES:

1. In view of the recent surge in the COVID cases, the Company is following social distancing norms and pursuant to the Circular No. 14/2020 dated April 08, 2020, Circular No. 17/2020 dated April 13, 2020, Circular No. 20/2020 dated May 05, 2020, Circular No. 02/2021 dated January 13, 2021 followed with Circular No. 2/2022 dated May 5, 2022 issued by the Ministry of Corporate Affairs and SEBI Circular SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020, Circular SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021, followed with Circular SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May 13, 2022 ('hereinafter collectively referred to as Circulars'), the Annual General Meeting ('AGM') of the Company will be held

through Video-Conferencing ('VC') or Other Audio-Video Means ('OAVM') where physical attendance of the Members at the AGM venue is not required. Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.

2. Pursuant to the provisions of the Companies Act, 2013 ('the Act'), a Member entitled to attend and vote at the Meeting is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this Meeting will be held through VC/OAVM, in accordance with the Circulars, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the Meeting and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
3. The attendance of the Members attending the AGM through VC/OAVM will be considered for the purpose of reckoning the quorum under Section 103 of the Act.
4. A statement pursuant to Section 102(1) of the Act, relating to the Business to be transacted from Item Nos. 3 to 5 is annexed hereto.
5. Members can join the AGM in the VC/OAVM mode 30 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in this Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 Members on a first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination & Remuneration Committee and Stakeholders' Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
6. Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended and Regulation 44 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, ('the SEBI Listing Regulations') as amended, and the aforesaid Circulars, the Company is providing a facility of remote e-Voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has engaged the services of National Securities Depository Limited ('NSDL') for

Notice (Contd.)

facilitating voting through electronic means. The facility of casting votes by a Member using a remote e-Voting system as well as e-Voting during the AGM will be provided by NSDL.

7. The Notice of the AGM has been uploaded on the website of the Company at www.colgatepalmolive.co.in. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively and is also available on the website of NSDL i.e. www.evoting.nsdl.com.
8. Since the AGM will be held only through the VC/OAVM facility, the route map is not annexed to this Notice.
9. The additional details of Directors retiring by rotation /seeking appointment/re-appointment, pursuant to Regulation 36(3) of the SEBI Listing Regulations and the Secretarial Standards issued by the Institute of Company Secretaries of India, is annexed as Annexure 1 and forms part of this Notice.
10. In compliance with the Circulars, the Notice of the 81st AGM and the Annual Report for the financial year 2021-22 are being sent only by email to the Members whose email address is registered with the Company/ Depositories.
11. Members who have not yet registered their email addresses are requested to register the same with their Depository Participants in case the shares are held by them in electronic mode and with the Registrar & Share Transfer Agent (RTA) of the Company in case the shares are held by them in physical form. However, for limited purposes like receiving the Notice of the forthcoming AGM and related documents, Members holding shares in electronic mode may register their email address with the RTA as per the process given in point B in the e-Voting instructions of the notes to this Notice.
12. The Register of Members and Share Transfer Books of the Company will remain closed from Friday, July 22, 2022 to Thursday, July 28, 2022 (both days inclusive).
13. In case of joint holders attending the Meeting, the joint holder who is highest in the order of names will be entitled to vote at the Meeting.
14. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Act and the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, will be available electronically for inspection by the Members during the AGM. All documents referred to in this Notice will also be available for electronic inspection by the Members from the date of circulation of this Notice up to the date of AGM. Members seeking to inspect such documents can send an email to cpilagm@colpal.com.
15. Members are requested to send all communications relating to shares, unclaimed dividends, change of address, etc. to the RTA of the Company, at their address - M/s. Link Intime India Private Limited, C-101, 247 Park, L. B. S. Marg, Vikhroli (West), Mumbai 400 083 or email at rnt.helpdesk@linkintime.co.in.
16. Members are requested to notify immediately any change in their addresses to the RTA of the Company at the above address, if shares are held in physical form and to the respective Depository Participants, if shares are held in electronic mode.
17. In terms of the SEBI Listing Regulations, securities of listed companies can only be transferred in dematerialized form with effect from April 1, 2019. In view of the above, Members are advised to dematerialize shares held by them in physical form.
18. SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2021/655 dated November 03, 2021 stated that all the listed companies shall intimate its securities holders holding in physical mode to comply with the requirements of registration/updation of valid PAN, KYC details and Nomination with them/their RTAs for the folios wherein the details are missing and are not registered. As per the Circular any request/complaint from the holder/claimant shall be entertained only after the folio is fully KYC compliant as per the Circular. Further the folios wherein any one of the document/details are not available on or after April 1, 2023, shall be frozen by the RTA. Accordingly, the Company had sent an intimation letter to all the shareholders holding shares in physical form at their registered address requesting them to comply with the provisions of the aforesaid SEBI Circular. The forms for updating the aforesaid details are available on the Company's website <https://www.colgateinvestors.co.in/investor-faqs> and also available on the website of the RTA.
19. Members are requested to ensure that the abovementioned KYC details are updated as and

Notice (Contd.)

when there is a change in order to receive all important shareholder communications and corporate benefits. Members holding shares in electronic mode may update the KYC details with their respective Depository Participants.

20. To prevent fraudulent transactions, we urge the Members to exercise due diligence and notify the Company of any change in address/stay abroad or demise of any Member as soon as possible. Members are requested not to leave their demat account dormant for long. Periodic statements of holdings should be obtained from the concerned Depository participant and holdings should be verified.
21. Electronic Clearing Service ("ECS") enables quick receipt of dividend without the potential for loss or delay in postal transit. Members who are not already enrolled in ECS are requested to fill in the ECS form which is available either on the Company's website or RTA's website and forward the same alongwith a cancelled cheque leaf to the Company's RTA if the shares are held in physical form and to the applicable Depository Participant if the shares are held in dematerialized form.
22. Members may note that the Income Tax Act, 1961, as amended by the Finance Act, 2020, mandated that dividends paid or distributed by a Company after April 1, 2020 shall be taxable in the hands of the Members. Pursuant to the above, Tax will be deducted at Source (TDS) by the Company at the time of dividend payment. In order to enable us to determine the appropriate TDS rate as applicable, Members are requested to submit the documents in accordance with the provisions of the Income Tax Act, 1961 within the time prescribed by the Company. Members are also requested to ensure that their PAN and Bank details are registered with the RTA for the purpose of dividend.
23. During the financial year 2021-22, the amounts unpaid/unclaimed of interim dividends declared for the financial years 2013-14 and 2014-15 in the amounts of ₹ 78,83,640/-, ₹ 68,96,228/- and ₹ 69,77,716/- have been transferred to the Investor Education and Protection Fund ("IEPF") on May 27, 2021; November 16, 2021 and February 4, 2022 respectively.

Pursuant to the provisions of Section 124(6) of the Act read with the IEPF Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 (including any amendment thereto or re-enactment thereof for the

time being in force), all equity shares in respect of which dividend has not been paid or claimed by the Member(s) for seven consecutive years or more are required to be transferred to the IEPF Authority, a Fund constituted by the Government of India under Section 125 of the Act. The Company has communicated individually to the concerned Members to claim their unpaid/unclaimed dividend amount(s) and that failure to claim the same would lead to their equity shares being transferred to the IEPF Authority without any further notice. In accordance with the aforesaid IEPF Rules, during the financial year 2021-22, the Company has transferred shares pertaining to interim dividends which remained unpaid/unclaimed, and declared for the years 2013-14 and 2014-15 to the IEPF Authority.

The unclaimed dividends and corresponding shares including all benefits accruing on such shares, if any, once transferred to the IEPF Authority can only be claimed back from the IEPF Authority, for which details are available at www.iepf.gov.in

The details of Members whose dividends have remained unpaid/unclaimed for seven consecutive years have been placed on the website of the Company. Members are requested to refer to the 'Investors' section on the website of the Company at <http://www.colgateinvestors.co.in/shareholder-information/unclaimed-dividends>

24. The Company has designated an exclusive email address called investors_grievance@colpal.com to redress Shareholders' complaints/grievances. In case you have any queries/complaints, then please write to us at investors_grievance@colpal.com. The Company has nominated Mr. Surender Sharma, Whole-time Director - Legal & Company Secretary, as its Nodal Officer for the purpose of co-ordination with the IEPF Authority and the contact details of the Nodal Officer is available on Company's website.
25. Members desirous of obtaining any information /clarification(s), intending to raise any query concerning the Financial Statements/Annual Report of the Company, are requested to send the same at least 2 working days before the AGM mentioning their name, demat account number/folio number, email address, mobile number at cpilagm@colpal.com so that the same may be replied to suitably.

Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit Client ID for NSDL account, last 8 digits of Client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - (ii) If your email address is not registered, please follow steps mentioned below in **Process for those shareholders whose email address is not registered.**
6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
 - a) Click on "Forgot User Details/Password?" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com
 - b) "Physical User Reset Password?" (If you are holding shares in physical mode) option available on www.evoting.nsdl.com
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
 - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
8. Now, you will have to click on "Login" button.
9. After you click on the "Login" button, Home page of e-Voting will open.

Step 2: Cast your vote electronically and join the General Meeting on NSDL e-Voting system.

How to cast your vote electronically and join the General Meeting on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle and General Meeting is in active status.
2. Select "EVEN" of the Company for which you wish to cast your vote during the remote e-Voting period and cast your vote during the General Meeting. For joining the virtual meeting, you need to click on "VC/OAVM" link placed under "Join General Meeting".
3. Now you are ready for e-Voting as the Voting page opens.
4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
5. Upon confirmation, the message "Vote cast successfully" will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

1. THE EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE ACT IS APPENDED HERETO.

Item No. 3

The Members of the Company at the 76th Annual General Meeting ('AGM') held on August 3, 2017 approved the appointment of M/s. S R B C & Co LLP, Chartered Accountants, Mumbai (ICAI firm Registration No. 324982E/E300003), (hereinafter referred to as S R B C) as the Statutory Auditors of the Company for a period of five (5) consecutive years, from the conclusion of the 76th AGM till the conclusion of the 81st AGM. S R B C will complete their present term on conclusion of this AGM.

S R B C is eligible for re-appointment for a second term of five (5) years. The Board of Directors of the Company ('the Board'), on the recommendation of the Audit Committee ('the Committee'), recommended for the approval of the Members, the appointment of S R B C as the Statutory Auditors of the Company for a second term of five (5) consecutive years from the conclusion of this AGM till the conclusion of the 86th AGM subject to approval of the Members of the Company.

The proposed remuneration to be paid to S R B C for audit services for the financial year ending March 31, 2023, is ₹ 1.05 crore (Rupees One Crore and Five Lakhs) plus applicable taxes and out-of-pocket expenses.

The approval of the Members is also sought to authorize the Committee and/or Board to fix the remuneration payable to the Statutory Auditors for the remaining part of the tenure. The Board, in consultation with the Committee, may alter and

Notice (Contd.)

vary the terms and conditions of appointment, including remuneration, in such manner and to such extent as may be mutually agreed between the Company and the Statutory Auditors.

Considering the evaluation of the past performance, experience and expertise of S R B C and based on the recommendation of the committee, it is proposed to appoint S R B C as the statutory auditors of the Company for a second term of five (5) consecutive years till the conclusion of the 86th AGM of the Company in terms of the aforesaid provisions.

None of the Directors and Key Managerial Personnel of the Company, or their relatives, is interested in this Resolution.

The Board recommends passing of Ordinary Resolution at Item No. 3 of this Notice for your approval.

Item No. 4

The Members of the Company at their Meeting held on August 28, 2019 had approved by way of a Special Resolution, a payment of commission to the Non-Executive Independent Directors (NEIDs) not exceeding 1% of the net profits of the Company in any financial year, subject to a sum not exceeding ₹ 15 lakhs, per annum.

As per section 197 of the Act and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, a Company can pay commission up to 1% of the net profit to the Non-Executive Directors (all of them together). Article 115(2)(b) of the Articles of Association of the Company authorizes the Company to pay commission to the NEIDs by passing a special resolution. The NEIDs on the Board have been providing invaluable services and are of high stature and knowledge. The Company has immensely benefited from their experience, knowledge and guidance from time to time. In view of the increased responsibilities of the NEIDs and based on the industry benchmarking, it is proposed to pay an amount of commission not exceeding ₹ 20 lakhs per annum to each of the NEIDs of the Company commencing from April 1, 2022.

However, as per provisions of section 197 of the Act, the Company will ensure that the overall payment of commission to NEIDs shall not exceed 1% of the net profit of the Company.

None of the Directors or Key Managerial Personnel of the Company or their relatives, other than the NEIDs is concerned or interested, financially or otherwise, in this resolution.

The Board recommends passing of Special Resolution at Item No. 4 of this Notice for your approval.

5. FOCUS ON INNOVATION AND NEW LAUNCHES/ CAMPAIGN

The Company is focused on delivering insight-driven innovation that provides value-added new products across all price points.

In the financial year 2021-22, the following products were launched/re-launched:

- **Colgate Gum Expert:** 90%# of Indians suffer from gum issues with more than half of them experiencing gum bleeding. Your Company has launched a specialized toothpaste in December, 2021 which provides relief from gum bleeding

Report of the Directors (Contd.)

& reverses the early signs of gum infection by harnessing the power of turmeric extracts (curcuminoids). The product launch was accompanied with a communication campaign which centered around the key benefit of reducing gum bleeding while spotlighting the presence of unique turmeric extracts in the product.

- **Colgate Visible White O2:** Your Company, in March, 2022, has launched a revolutionary new toothpaste with Active Oxygen Technology which delivers one shade whiter teeth in just 3 days, when used as directed. Its advanced formula releases millions of warm bubbles of oxygen that get gently absorbed in the teeth enamel thereby lightening the micro-stain molecules to unlock a radiant white smile. The product was launched in premium looking cartons and was also accompanied with launch of a communication campaign to build awareness of the launch which was centered around the need for young beauty consumers to be their authentic selves and let their inner confidence shine through with their radiant smiles.
- **Colgate Vedshakti (Re-launch):** The Family Naturals toothpaste segment has been growing faster than the category over the past few years wherein Ayurvedic Naturals brands have been growing even faster. Colgate Vedshakti has been your Company's lead brand in the Ayurvedic Naturals segment. In Q1 2022, we re-launched the brand with a reformulated product, fresh packaging and a new communication. The new product delivered improved sensorials vis-à-vis the erstwhile Vedshakti formula while the communication was crafted to land the brand's proposition i.e. A Clean Mouth for a Healthy You (Mooh Swacch Toh Aap Healthy)
- **Colgate Strong Teeth (Re-launch):** In May 2022, your Company's largest single brand, Colgate Strong Teeth toothpaste has been re-launched with fresh packaging (highlighting the remineralization benefit of the toothpaste via the call-out "Calcium Boost" along with a new logo unit) and new communication to elevate the importance of the need for strong teeth in

the minds of our consumers. Colgate Strong Teeth toothpaste has arginine and fluoride which facilitates the remineralization of Calcium from the mouth's saliva onto the teeth at a rate which is better than an average fluoride-only or non-fluoride toothpaste thereby making the teeth stronger.

- **Colgate RecyClean:** As an entry into the sustainability segment, this is our first of its kind toothbrush with a handle made of 100% recycled plastic. The bristles are made of plant derived nylon and are Bisphenol A (BPA) free. This also comes in packaging made with recycled material.
- **Colgate Water Flosser:** A strategic addition to our devices business, Colgate Water flosser gives you the flawless clean plaque removal. It has a unique, easy to hold design with a built in nozzle component +3 pressure modes to choose from as per your requirements.
- **Pro-Clinical 250R Electric Toothbrush:** Adding on to our existing Pro-Clinical range, we introduced 250R Rechargeable, Electric Toothbrushes in 3 variants - Deep Clean, Charcoal and Whitening. These have Sonic technology giving upto 30,000 strokes/minute resulting in a 5x better clean and plaque removal vs regular manual toothbrushes.

6. ESG & BUSINESS RESPONSIBILITY & SUSTAINABILITY REPORTING

As a market leader in the Oral care, we seek to deliver sustainable, profitable growth, superior stakeholders returns, and provide its people with innovative, inclusive, and conducive work environment. Your Company has always been at forefront when it comes to Environment & Social Governance (ESG). Colgate's core values highlight its commitment towards an equitable, sustainable, and empowered economy. While Company is in the process of publishing its ESG Report, it has on a voluntary basis adopted Business Responsibility & Sustainability Report from FY 2021-22.

We are an environmentally conscious Company that believes in protecting the environment and building a sustainable society. The Company is committed to doing business with integrity and respect for all people and the planet. Achieving economic, social and environmental performance in today's business climate requires a long term sustainability strategy that is executed with discipline year after year. Colgate's sustainability strategy is focused on the three areas i.e. People, Performance and Planet.

People: Promoting healthier lives, Contributing to the Communities where we live and work:

- The Company is committed to continuously improve employees' well-being and reduce their health risks and encourage healthier living for employees and their families.
- Colgate employees have been provided with free health check-ups. Several mental wellness programs were also rolled out during the financial year.

Performance: Growing the business with innovative, more sustainable products that make the lives of consumers healthier and more enjoyable:

- The Company endeavors to improve the sustainability profile of new products and product updates, drive sustainability with breakthrough product and process innovation, increase the recyclability of our packaging and increased recycled content, have a positive impact by expanding access to affordable health and wellness products for millions of people in underserved communities and use the power of our brands to build awareness and drive engagement in product sustainability.

Planet: Conserving Earth's finite resources, addressing climate change and maintaining the well-being of our planet for generations to come:

- The Company is committed to address key environmental issues such as energy use, carbon emissions, water use and waste generation as well as deforestation.
- Colgate has robust policies in place for sustainable use of and environmentally sound disposal of waste generated during our processes and making every drop of water count and reducing our impact on the climate and the environment. More information on conservation of energy and measures undertaken by the Company are mentioned in 'Annexure 3' to this Report.

The Company has received TRUE Zero Waste Platinum certification in 2019, for all its four manufacturing sites in India, from Green Business Certification Inc. (GBCI), the premier organization independently recognizing excellence in green business industry performance and practice globally. GBCI administers TRUE Zero Waste certification, a program for businesses to assess performance in reducing waste and maximizing resource efficiency. Facilities earn TRUE certification by achieving minimum program requirements and attaining points; the program operates on a ranking system, with 'Platinum' being the highest certification level. We continue to maintain the certification as our Diversion Rating at more than 99% as per the requirements. The Company is the first in India to receive such certification.

Some of the key sustainability initiatives driven by the Company during the financial year:

- **Colgate-Palmolive launches India's first-ever recyclable toothpaste tubes**

As a market leader in the oral health sector in India,

Report of the Directors (Contd.)

the Company remains steadfast in its commitment to raising the bar on its sustainable footprint. It is focused on bringing world-class sustainable innovation to not only improve oral care but also work towards preserving the environment.

This pioneering technology is being rolled out on Colgate's Active Salt and Vedshakti variants first, with other brands in its portfolio to follow. Colgate-Palmolive is the first oral care brand to launch such an initiative at scale.

The new tube is soft, squeezable and recyclable without compromising on key product attributes like taste, which consumers love and have enjoyed for decades.

The Company has been using recyclable cartons and boxes for over a decade now and this new initiative is part of the Company's continued efforts in its sustainability journey. It marks a new milestone, not just for Colgate-Palmolive, but also the industry at large.

● Cleft Surgeries with mission smile

In line with our Keep India Smiling Mission, this program is an effort to create long term impact in the lives of these children and families. Program encompasses a comprehensive care model comprising, mobilization of children and their families, collaboration with surgery experts and local Health Departments, logistics, pre & post treatment and care.

For this financial year, the program was rolled out in Assam, Meghalaya, Gujarat, Tamil Nadu, Andhra Pradesh, Telangana & Sikkim, completing 275 surgeries by March 2022.

● Initiatives on COVID

During the financial year 2021-22, the Company has continuously monitored COVID waves and has adapted the necessary measures as needed to address various challenges posed by COVID. The Company, continues to ensure health and safety of its employees and other staff, took adequate pre-emptive measures on travel restriction and enhancing the hygiene & sanitization protocols across all offices and plants. During the year the Company has also launched a 'ShotLagayaKya' campaign to create awareness, facilitate, help

overcome barriers and work together to get all our employees, business partners, 3P/contractors and field teams (and ideally, also their immediate families) vaccinated. The Company has arranged several vaccination camps for its employees and other staff members.

Continuing our efforts towards fighting the pandemic we ensured necessary support in strengthening medical equipment infrastructure in Government Hospitals/ Primary Health Centers across the country. The support was extended for equipment like ICU/Fowler beds, vaccination vans, ambulances, X Ray machines, ventilators, wheel chairs, oxygen concentrators among others.

Leveraging the strength of our brand and our presence across India for nearly past 85 years, we have responded with agility to the specific challenge of reaching our products to our consumers without any disruption. The Company's commitment towards its core values together with the strength of the Company's brands, its best-in-class distribution network and its cost-saving initiatives, should position the Company well to increase stakeholder value over the long term.

Business Responsibility and Sustainability Report:

The Securities & Exchange Board of India (SEBI) vide its circular no. SEBI/HO/CFD/CMD-2/P/CIR/2021/562 dated May 10, 2021 has mandated the ESG disclosures for the top 1000 listed companies. The Business Responsibility and Sustainability Report (BRSR), capturing the Company's performance on ESG parameters which in turn would enable informed decision making, is a comprehensive framework based on the National Guidelines on Responsible Business Conduct (NGRBC).

The Company has always been steadfast in embedding ESG across the Company. Nurturing trust of our stakeholders and maintaining our leadership position in the oral care industry is of utmost importance. For this reason, integrating responsible business practices is at the fulcrum of the Company's vision and strategy. The Company has taken a proactive approach of adopting BRSR in the financial year 2021-22, a year in advance of the mandatory

Report of the Directors (Contd.)

Management Discussion and Analysis

(within the limits set by the Company's competitive position)

INDUSTRY OVERVIEW

The rapidly changing lifestyles and sugar-rich diets have made Oral health, one of the key public health concerns in almost every part of the world.

In India, while Oral Care category penetration is high (+95%), more than 80% of people don't brush their teeth at night. This against the backdrop of increasing Oral Diseases, up to 77 % suffering from Gum problems every year, up to 71% children (12 years old) and upto 86.4% adults 35-45 years from Cavities, presents a situation that needs immediate attention.[#]

While, as a Country, we have made giant strides with Oral Health initiatives, in the last few decades, our population and segmentation expanse offers opportunities to explore new avenues towards enhancement of Oral Health in India.

With increased awareness around this topic, we are seeing increased expenditure on oral healthcare. Well informed on the perils of neglect, people are actively seeking preventive solutions leading to an increase in demand for effective Oral Care products from trustworthy Brands, thereby contributing to good oral hygiene.

BUSINESS AND STRATEGY

Your Company is strongly focused in the Personal Care business which includes Oral Care that accounts for over 95% of the Company's sales turnover. Within the Oral Care segment, the Company continues to sustain its leadership position both in the Toothpaste and Toothbrush categories for the financial year ended March 31, 2022 despite a challenging business and competitive environment. As a leading consumer products Company, we are also deeply committed to advancing technology that can address changing consumer needs. This is consistent with your Company's sustained endeavor to leverage technology in order to create products that will improve the quality of life for our consumers.

Your Company follows a closely defined business strategy to develop and increase its market leadership position in key product categories. On an ongoing basis, management focuses on a variety of key indicators to monitor business health and performance. These indicators include market share, net sales, gross profit margin, operating profit, net income and earnings per share. The monitoring of these indicators and the Company's Code of Conduct and Corporate Governance practices help to maintain business health and strong internal controls. The investments

needed to support the growth are developed through its funding of growth initiatives such as reduction in costs associated with direct materials, distribution and logistics, advertisement and promotional materials and reduction of packaging materials. The predominant business of the Company continues to be Oral Care and the outlook for the oral health industry is positive given the size of the opportunity. Your Company believes that the Company's business will continue to grow strongly in the next several years on the back of its experience in operating in a growth environment and its continued focus on capturing significant opportunities through innovation and operational excellence. For years, the Company has been successful in identifying and meeting consumer needs within its core categories, through its consistent focus on the introduction of innovative products and the deployment of valuable consumer and shopper insights in the launch of successful new products.

Your Company caters to all types of oral care needs a consumer may possibly have. The Company's end users belong to all age groups and diverse geographical locations (urban and rural), as well as household size and type. We further interact with diverse wholesalers, modern trade stores and other retailers to ensure our products reach the length and breadth of the country.

The strategic focus of the Company continues to win with the brands, leading innovation, achieving distribution and in-store excellence, nurturing future leaders, re-imagining a healthier future for all and thereby enhancing the overall shareholders' value.

Digital Transformation

Your Company took big steps in the journey of digital and data transformation. The Data and Analytics Center of Excellence has been set up to build data science capabilities internally. During the year, your Company launched the 'Smile Store Program', - a transformation initiative focused on assortment build up in retail, applying data science models and rich shopper data. This was driven by an extensive change management exercise with all our extended sales force and integrating the technology in our order-taking systems. The results are encouraging with a double-digit increment in our monthly average assortment per store. The program continues to gain momentum and is becoming an effective lever to drive our distribution excellence and new product launch Go-to-market.

Digital Transformation continued to be a key priority

Management Discussion and Analysis (Contd.)

for the Company's Business Operations. Your Company leveraged several channels to reach out and engage with its stakeholders, including full funnel omni-channel performance marketing, driving rural reach and building regional content.

Colgate - Our Brand Purpose

Your Company continued to build on its 'Smile karo aur shuru ho jao' campaign in 2021, which brings to life its brand purpose of 'Everyone deserves a future to smile about'. Our latest 'Smile Karo' campaign features Kiran Kanojia, India's first woman blade runner to run a marathon. Our continued strategy is to inspire people to be optimistic through stories like Kiran's.

We also brought to millions of people the story of Sindhutai Sapkal, who was forced to beg on the streets in her early twenties and then went on to become 'mai' for thousands of orphans. Her smile and optimism reflects the power to change the world for a better place to be.

Colgate Strong Teeth

Your Company also re-launched its largest single brand 'Colgate Strong Teeth toothpaste' with Calcium boost callout in relation to remineralization. The TVC 'Daant strong toh main strong' featuring Shahid Kapoor and Rana Daggubati puts the spotlight on the importance of strong teeth, which helps in better chewing leading to better nutrition.

Colgate Visible White O2

Your Company launched a revolutionary teeth whitening product, Colgate Visible White O2, with our #SmileOutLoud campaign. The campaign cut through the noise and challenged the age-old conventions of what is considered as 'beauty'. The new whitening toothpaste, Colgate Visible White O2, promises whiter teeth in just 3 days, when used as directed.

#SmileOutLoud celebrates three women influencers - Toshada Uma, Dolly Singh, and Prarthana Jagan, who have successfully challenged stereotypes using their unique beauty to make their mark in the world. Their radiantly defiant smiles speak of the bold beauty and confidence with which they face the world, having turned their so-called imperfections into expressions of their authenticity.

Colgate Toothpaste for Oral Health of Diabetics

Your Company roped in celebrated cricketer R. Ashwin to educate and inform our consumers about the rather unknown link between Type II diabetes and gum problems. There is an established link between Diabetes

and an increased risk of mouth infections. The toothpaste for Oral Health of Diabetics is designed for the oral health problems commonly faced by Diabetics.

Sustainability

Your Company is focused on bringing world-class sustainable innovation to not only improve oral care but also work towards preserving the environment. The pioneering technology of the recyclable tubes was rolled out on Colgate Active Salt and Colgate Vedshakti variants first, with other brands in its portfolio to follow. We are the first oral care brand to launch such an initiative at scale and decided to share the technology with others.

Colgate Toothbrushes

For the first time, the Company launched a new Master-brand campaign for toothbrushes, positioning Colgate toothbrushes as 'Smart Brush for a Healthy Mouth'. It establishes Colgate toothbrushes as the expert devices that understand the complexities of the mouth to ensure superior oral care.

The campaign brings this alive beautifully through the key sub equities - Colgate ZigZag, especially engineered with 16 degree criss cross bristles, is designed for germ protection against ~700 types of germs in the mouth that can cause oral care problems.

Our mouth is made up of 80% soft tissues and hence needs gentle care. Colgate Gentle has dense, Ultra Soft Bristles which give superior foam resulting in the softest brushing experience.

Colgate Super Flexi toothbrush - Ultra Flexible Technology, India's #1 selling toothbrush brand was unveiled in a new avatar-featuring product enhancements for better cleaning. It was re-launched with bright, vibrant colors, attractive packaging, giving it a very modern & premium look.

As we continue to advance and scale our social and sustainability initiatives, we launched Colgate RecyClean - a first of its kind toothbrush with bristles that are plant derived and Bisphenol A (BPA) free while the handle is made from 100% recycled plastic.

Palmolive Face Cleansing

Your Company launched a new line of premium, natural Face Cleansing Foams, Gels, Masques and Scrubs under the Palmolive brand.

The launch was accompanied by an advertising campaign 'Say Yes to You'. Recognising that women, across

Management Discussion and Analysis (Contd.)

strata and communities, end up prioritizing either work or their loved ones in a bid to care for others over indulging in much-needed self-love, we launched the campaign #SayYesToYou. While introducing Palmolive's new indulgent Face Cleansing range, the campaign encourages women to prioritize themselves while juggling the many responsibilities they shoulder in life, at work, and in their families. The campaign goes beyond the traditional way of dissecting women's skin conditions and issues, instead portraying them as people who have diverse interests and a desire to indulge in them.

RISKS AND OPPORTUNITIES

Risk management is integral to your Company's strategy and to the achievement of its long-term goals. Our success lies in our ability to identify the opportunities generated by our business and the markets we operate in.

The purpose of timely risk assessment is to identify the strategic threats, operational issues, compliance with laws and disclosure obligations and to convert them into the opportunities, wherever possible. Thus, in order to deliver value to our customers, distributors, employees, communities, shareholders and other stakeholders, it is inevitable to understand and manage the risks faced by the Company.

Risk assessment is done on a regular basis. The Leadership team reviews the processes and identifies and assess the risks faced by their respective categories and proposes the Risk Mitigation plan.

The Company has adopted Enterprise Risk Management (ERM) to ensure timely identification and creation of mitigation plans. The Company has formed an ERM Sub-Committee, which meets at regular intervals to refresh the risk roadmap and create a plan for addressing them. The said plan is presented before the Risk Management Committee and the Board of Directors.

Our ambition is to continuously improve our operational efficiency and effectiveness. Our approach to risk management is designed to provide reasonable assurance that our assets are safeguarded, the risks facing the business are being assessed and mitigated and all information that may be required to be disclosed is reported to the Company's senior management and the Audit Committee and the Board.

For each of our principal risks, we have a Risk Management Framework detailing the controls we have in place and

who is responsible for managing both the overall risk and the individual controls mitigating that risk. Our assessment of risk considers both short and long-term risks, including how these risks are changing, together with emerging risk areas. These are reviewed on an ongoing basis, and formally by the Risk Management Committee and the Board at least once a year. The Company has carried out the Stakeholder engagement and materiality assessment and has identified the key risks and opportunities, such as, Occupational Health and Safety, Human Rights, Diversity and Inclusion, Commodity price risk, single source raw material, credit risk, Product Stewardship, Energy emissions, Responsible Supply Chain, Consumer Health and Safety, Water Stewardship, Waste Management, Business Ethics, Cyber security and data protection, regulatory changes, social media and brand reputation risk, etc.

The detailed explanation and outcome of each of these risks and opportunities is given in the Business Responsibility and Sustainability Report, forming part of the Board's Report.

INTERNAL FINANCIAL CONTROLS

Your Company has an adequate and talented team of internal auditors that oversees the internal financial processes, policies, and recommends robust internal financial controls from time to time. These internal financial controls help to put in place checks on the implementation of the internal financial controls, policies & procedures that are adopted by the Company for ensuring an orderly and efficient conduct of its business. These internal financial controls help in safeguarding assets, prevention & detection of frauds and/or errors, maintaining the accuracy and completeness of the accounting & financial records. These controls help in the timely preparation of transparent, complete and accurate financial information and statements as per the laid down accounting standards and principles. The Audit Committee of your Company evaluates the internal financial controls system periodically.

EMPLOYEE HEALTH AND WELL-BEING

At Colgate-Palmolive, we aim to ensure that you are at your best-your healthiest, happiest and most driven self. The Company constantly evaluates and adopts better policies and initiatives that enable improved employee health and well being thereby also leading to better efficiency and productivity at the workplace.

Guided by this principle, we have an Employee Assistance Program which is available to all employees + 3 family

Management Discussion and Analysis (Contd.)

members to seek help from certified professionals on any mental health challenges. Every year in June, the Company celebrates 'Live Better' which is a global initiative aimed at encouraging employees to adopt a healthier lifestyle. We also have company sponsored medical check-ups which the employees can avail of.

Flexi-work Policy

Post the COVID-19 pandemic, the Company prepared for the safe return to work for all our employees. Employee Health & Safety is at the forefront of all the things that we do. In order to make it convenient and for ensuring ease in transition, we launched a hybrid working policy called 'Blendin' which provides employees the flexibility to choose 2 days in a week where they would want to work from home, making only 3 days mandatory for them to work from office, with the benefit of flexi working hours barring the core hours.

Mental Health and Well-being

The Company recognizes our responsibility to prioritize mental health. With the recent pandemic, it has become more and more critical to keep physical as well as mental health in check.

We believe in re-imagining a healthier future for all-and healthier means overall health-oral, physical and mental by providing the right opportunities and resources to help the employees take care of their mental health, from facilitating a strong Company culture that empowers colleagues to connect with each other to offering robust benefits that position mental health as integral to overall health.

The Company has launched the following initiatives:

- Employee Assistance Program
- WYSA App for mental health & well being
- Mental Health awareness training
- Guided Meditation Sessions
- Ongoing flexibility in work schedules for reduced stress

Diversity, Equity and Inclusion (DE&I)

We at Colgate-Palmolive are committed to our DE&I journey. We are constantly working towards creating a world where our people would feel Colgate is a place where they belong and where they can bring their authentic selves to work and feel welcomed, respected and valued. For the same, changes, new policies & processes are taken to enable an inclusive environment across our offices and plants. This includes impacting

our people, the community we live in and the supplier diversity we work with.

We continue our company-wide discussion on DE&I, supported by sensitization and awareness sessions. We provided allyship training to all our employees to understand how they can champion and support a diverse workforce. Ingrained from inception, our governance policies are adhered to not just in India but globally.

Your Company has been recognized as one of the Best Organizations for Women 2022 by the Economic Times, powered by Femina.

The total number of people employed by the Company as on March 31, 2022 was 2,363.

Details of changes in key financial ratios as compared to immediately previous financial year:

Particulars	FY 2021-22	FY 2020-21
Debtors Turnover [#]	29.65	38.54
Inventory Turnover	4.81	4.90
Interest Coverage Ratio [^]	236.30	184.11
Current Ratio ^{\$}	1.37	0.85
Debt Equity Ratio [*]	0.05	0.08
Operating Profit Margin (%)	27	27
Net Profit Margin (%) (after tax)	21	22

The Company's key financial ratios continue to be very healthy.

The Return on Net Worth in the FY 2021-22 decreased to 74% from 75% in the immediate previous financial year due to higher equity in the current year since the second interim dividend was declared post year end for FY 2021-22.

[#]Credit was extended to certain distributors at year end so there is an increase in debtors ultimately reducing the debtors turnover ratio.

[^]Debt and Interest expense appearing in the Financial Statements for the current year wholly relate to the lease liability as per Ind AS 116.

^{\$}Current ratio depicted higher than previous year, due to unpaid dividend of previous year, paid subsequent to year end.

^{*}Debt mainly pertains to lease liabilities which are on reducing balance. Equity is higher compared to previous year since the second interim dividend was declared post year end for FY 2021-22.

The detailed discussion on Financial Performance with respect to operational performance, Internal Control systems and their adequacy and Segment-wise or product-wise performance, innovation and technology are forming part of the Board's Report.

OUR APPROACH

The investments needed to support growth are developed through continuous, Company-wide initiatives to improve realizations, lower costs and increase effective asset utilization. Through these

Management Discussion and Analysis (Contd.)

initiatives, termed as the Company's revenue growth management and funding-the-growth initiatives, your Company seeks to become even more effective and efficient throughout its businesses. These initiatives are designed to drive sustainable revenue growth for your Company and better value products for the shoppers. Through these initiatives your Company also focuses on reducing costs associated with direct materials, indirect expenses, distribution and logistics, and advertising and promotional materials, among other things, and encompass a wide range of projects, examples of which include raw material substitution, reduction of packaging materials, consolidating suppliers to leverage volumes and increasing manufacturing efficiency through SKU reductions and formulation simplification.

Against a challenging backdrop of COVID-19, your Company took adequate and pre-emptive measures to strengthen and nurture its relationship with stakeholders. In order to ensure the health and safety of employees and their families, your Company took appropriate measures including restrictions on travel and enhancing the hygiene & sanitation protocols across all offices and plants. Your Company worked with various regulatory authorities & industry groups to facilitate a more regular and consistent

supply of your Company's products to consumers across the country. In the true spirit of partnership, your Company sponsored the health insurance benefit and supplied personal hygiene kits to the employees of its distributors.

Going forward, your Company expects the challenging market conditions and unfavorable macro-economic conditions to continue. Your Company believes that it is well prepared to meet the challenges ahead due to its strong financial condition, experience of operating in challenging environments and continued focus on its key priorities. These priorities include: growing sales through greater engagement with consumers, delivering world-class innovation and working with its distributors and retail partners; driving efficiency on every line of the income statement to increase margins; generating strong cash flow performance and utilizing that cash effectively to enhance total shareholder returns, and leading to win by staying true to the organization's culture and focusing on its stakeholders. DETAILS OF CSR PROGRAMS

Thematic Area: Access to Water, Water Augmentation for Livelihoods & Women Empowerment

Water is a key pillar of Colgate's Sustainability Strategy. In line with the strategy and keeping in mind the water scarcity issues in multiple geographies in the country, Colgate has been working towards water accessibility, availability and enhancing livelihoods for communities in a couple of water stressed rural/tribal geographies.

1. Water program for Communities in Amravati, Maharashtra

In 2016, Colgate partnered with NGO Water for People India Trust for Water initiative in 36 rural/tribal villages in Chikhaldara block of District Amravati, Maharashtra. The program focuses on sustainable water availability, accessibility, quality of water, rain water harvesting, education on hygiene and conservation of water through the Water, Sanitation and Hygiene (WASH) program and Operations and Maintenance (O&M). Program was kicked off after extensive feasibility assessment exercises with multiple stakeholders. The model encompasses developing capacities of local village institutions, collaborations, behavior change practice and partnership of stakeholders. Water safety and security plans are implemented in consultation with local Panchayat/block, enterprise promotion groups and village level institutions. The approach has helped villages to be sustainable and created long term impact in the lives of people especially women.

In FY 2021-22 Feasibility study was done for additional 14 Villages. So far 42 villages are reached with community water availability and water supply schemes, including schools, anganwadis and ashram shalas. The program has been able to replenish 97 million litres of water since inception. Travel drudgery to fetch water is reduced by 2 hours daily, impacting the lives of women and girls positively.

2. Water Augmentation for Livelihoods & Women Empowerment

The program focuses on the Economic and Social Empowerment of communities, specifically women in water stressed areas, through various water augmentation and livelihood initiatives.

Colgate partnered with NGO Seva Mandir in FY 2017-18 and did feasibility assessment in Tribal villages

of southern Rajasthan. The interventions were planned with an integrated approach to address various challenges faced by women due to lack of water availability and livelihood opportunities. Key elements of the program are building capacities of women collectives/self-help groups, providing relevant exposures and skills for farm based livelihood opportunities to empower them improving their lives.

In FY 2020-21, a Digital and Financial literacy program was launched to address the need of financial management, while these women/ villagers started earning better. 10,000 women are trained through 100 Smile Sakhi trainers in more than 50 villages in this financial year. This has enabled women to optimally manage their earnings as well as be aware and secure from digital financial frauds.

Through this program 128 million liters of water has been replenished so far. The income level has risen to 38% from the baseline. Today, the program supports more than 27,000 villagers through enhanced agricultural livelihoods, 1200+ women beneficiaries through farm based livelihood initiatives. 57% villagers have come forward and opted for multi-cropping which has helped increase their income levels. Water availability in these areas have been throughout most of the months in a year through recharged wells. The impact created through this program is multidimensional and based on this success, the program is being scaled to additional villages in the same geography.

Thematic Area: Help Young People in Our Communities Thrive through education & other career building opportunities

More than 27% of the country's youth are excluded from education, employment, or training, 13% of children/ young adults have never attended schools, close to 12% drop out from schools due to various reasons. Continuity in education is one of the critical challenges in our country and needs to be addressed. To support, enable and empower the youth through education Colgate has been focusing on providing platforms for deserving youth from underprivileged backgrounds.

1. Keep India Smiling Foundational Scholarship & Mentorship Program

In 2019, Colgate India under the aegis of Keep India Smiling Mission launched the Keep India Smiling

Annual CSR Report (Contd.)

Foundational Scholarship and Mentorship program in partnership with ShikshaDaan Foundation and Technology supported by Buddy4Study. The program offers financial support to deserving candidates across Urban and Rural India, who are meritorious but due to financial constraints lose the opportunity to enhance education or future employability opportunities. The scholarships are provided in the areas of Education, Sports and Community betterment. The scholarship amount ranges from ₹ 40,000 to ₹ 2.25 lakhs depending upon the category and number of years of scholarship.

Along with the financial support, LMS based & one-on-one Mentorship is an important element of the program, which enables scholars to have more exposures, sharpening social skills and career guidance.

So far 1,650 Scholarships have been awarded and 63% of scholars come from rural areas or smaller towns. 84% of scholars come from families having an income of less than ₹ 1 lakh per annum. Through this program, the efforts were made to support more girls as COVID-19 had an adverse impact on the continuity of education of girls. So far the program has 51% girl scholars.

2. Digital literacy & Grooming

Colgate partnered with NGO Action Aid in the FY 2017-18 to empower children from low income group families by equipping them through digital literacy, communication skills and personality grooming. The program started in 9 Government schools & Community centers in and around Baddi, Himachal Pradesh and scaled to a few government schools in Sri City, Andhra Pradesh.

Some infrastructure work around drinking water, water availability for sanitation was undertaken during COVID-19 period to enable children to access safe drinking water. With the efforts of on the ground teams, engagement with children and their families was done through phones and learning materials continued to be shared through WhatsApp. The drop out ratio and low attendance of girl children was one of the key findings during the assessment hence specific focus to bring more girl children into mainstream education have helped to have more than 65% girls in the program.

3. Positive Step Program

Colgate in Partnership with NGO 'Network In Thane By People Living With HIV' (NTP+) has started 'A Positive Step Program' to support education, nutrition and the overall personality grooming of children/youth infected and affected with HIV/AIDS.

In addition to the education and nutrition support mentorship program is a key element enabling younger children to interact and learn from employee mentors. In FY 2021-22 during COVID-19, efforts were made to continue mentorship, engage children through various virtual celebrations like World AIDS day, etc. Nutrition support was strengthened.

4. Colgate Seva Mandir Education Scholarship Program

The aim of the program is to support children from tribal and rural regions of Udaipur, Rajasthan with accessibility to quality education, sports and build an overall, enriching experience and to enable them to aspire for a brighter future ahead. The program supports 50 children to continue holistic education. In FY 2021-22, students were also given COVID-19 vaccinations at the school campus. The first batch of 12th standard students cleared their examinations & have further opted for higher education. 2 girls from the program are selected in Tribal Hockey Academy & will also receive formal training. Additionally, we also supported children from families who had lost either their earning member or employment due to COVID, through our support we have ensured education continuity for more than 180 students from Vidya Bhawan school, this project has a diversity ratio of 65%.

Thematic Area: Oral Health Elevation

1. Colgate Bright Smiles, Bright Futures™ Program

Colgate is committed to improving children's oral health and considers it as the Company's responsibility to bring healthy, bright smiles to the children of India through oral health awareness, education and related programs.

Our Flagship program Bright Smiles, Bright Futures™ (BSBF) was created with an aim to spread awareness among children about the correct oral health habits, basic hygiene and diet and reduce the prevalence of dental caries. Since the inception of the program in 1976, the Company has been delivering oral health education to children by reaching out to influencers

Annual CSR Report (Contd.)

-like school teachers and the anganwadi workers in the community to promote preventive oral care education by way of teaching good oral hygiene habits, the right techniques of brushing through an interactive module, where the importance of a good mouth cleaning regimen is strongly instilled in them. At the end of the program, each child is given a 'Dental Health Pack' along with attractive charts depicting valuable oral care information to encourage these children to take care of their oral care hygiene. School teachers are trained and provided with a 'Teacher's Guide' which helps teachers advocate the importance of healthy teeth.

During COVID-19 pandemic, schools were not operational, hence, we focused on designing an impact assessment framework for the program to strengthen the program impact.

BSBF has, so far, touched the lives of 178 million+ children between the ages of 6 and 14 years in schools across India.

2. Supporting Cleft Surgeries

Every year In India, about 35,000 children are born with cleft, and due to lack of resources for treatment, suffer from issues like malnourishment, speech problem, societal acceptance and lose many opportunities in life.

In November 2021 under the aegis of 'Keep India Smiling Mission' Colgate launched a program on Cleft surgeries and comprehensive care for the children coming from low income-families, in partnership with NGO Mission Smile.

The program is focused on bringing an impact in the lives of children coming from low-income families, who otherwise would not be able to afford surgeries as well as pre & post treatments and care. Having these surgeries helps tackle issues related to speech impediment, malnutrition, social acceptance, future educational and social opportunities. The partnership promises to make a difference to the lives of many and we are excited to take the learnings to be able to scale the programs in future. In the launch year the program was rolled out in Assam, Meghalaya, Gujarat, Tamil Nadu, Andhra Pradesh & Sikkim. We have

completed 275 surgeries by March 2022. We aim to continue to scale the program in various geographies.

Disaster Management: COVID-19 Pandemic relief efforts

Colgate India has a long standing history and commitment to deeply care and support the people and communities where we operate, in line with our Core Values. Colgate India, being a responsible corporate citizen, has always come forward to help people and communities whenever the Country has faced any natural calamity. The years 2020 & 2021 were challenging for everyone. The COVID-19 Pandemic has created an unprecedented challenge for the entire country and the world at large. We deeply acknowledge the efforts of Government authorities and all medical professionals and other personnel who are tirelessly working to combat this unprecedented challenge.

During the second wave, availability of medical infrastructure was one of the key needs to be addressed for current as well as future capacities to address challenges of such magnitude. Based on understanding and stakeholder discussions on needs, we focused on addressing medical equipment infrastructure needs in Government hospitals/primary health centers (PHCs)/in geographies of our operations areas/states & Maharashtra. This could support communities with better access to health infrastructure for the future too. We deeply appreciate the on ground support provided by local authorities/health departments who provided us the needs in the timely manner and also helped with smooth execution of the drive.

More than 90 hospitals/PHCs/Community Health Centers in 40 locations were supported across 5 States: Maharashtra, Andhra Pradesh, Himachal Pradesh, Goa and Gujarat with required health equipment infrastructure support like ICU/Fowler Beds, Ventilators, ECG, X-Ray, USG Machines, Wheelchairs, Stretchers, Vaccine vans, mobile health unit vans and ambulance. We are confident that the support provided by us through this mega drive has been helpful to the communities at large.

ANNEXURE 3

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO [PURSUANT TO PROVISIONS OF SECTION 134 OF THE COMPANIES ACT, 2013 READ WITH THE COMPANIES (ACCOUNTS) RULES, 2014.]

A) Conservation of Energy and Water:

Your Company continues its endeavor to improve energy & water conservation and utilization. Some of the steps taken by the Company for conservation of energy & water at its manufacturing plants during the financial year 2021-22 are outlined below:

Sanand Plant

- Conservation of Energy:
 - The Company is having high priority and focus on Energy Saving, through 360 degree Energy conservation program including Lighting, Energy efficiency methods, Analytics to monitor and reduce energy consumption, etc. At regular intervals Plant conducts a workshop viz. 'Energy Treasure Hunt' to encourage ideas on energy conservation from its employees. The ideas generated for energy conservation are being implemented, which has generated savings of 4% on per MT of production, quantified to 800,232 KWH of energy saving in 2021.
 - Company is having a Power Purchase agreement with a Wind Energy generator. In addition, last year we have set up a Solar Energy plant at our site. In 2021 out of total power consumption we used 26.2% green energy.
 - During the year 2021 the plant has invested ₹ 5.93* crores on identified projects which will save additional 2,753,086 KWH of energy on an annual basis.

*Includes Solar Project ₹ 4.2 crores investment with ₹ 1.25 crores annual saving ~1,543,210 KWH.

- Conservation of Water:
 - Company is having a 360 degree program to conserve water through Reducing consumption, Reusing the water & Harvesting the Rainwater. Through different projects 0.41% non-product water was less consumed per MT of production, quantified to 257 Cubic Meters (Cu M) water saving in 2021.
 - Net Zero Water - Last year Plant had harvested

about 25,352 Cu M of rain water, based on 2021 rainfall data. Further, Plant reuses 31,821 Cu M waste water after treating it in the Effluent Treatment Plant for gardening. Plant has reused and recycled 7,293 Cu M of water viz. water of online quality monitoring, Boiler condensate, etc. In total the Plant had saved and harvested 64,466 Cu M of water which is 2% more than the water consumed by the site (63,217 Cu M) from GIDC.

- Company is planning to invest ₹ 25 lakhs to reuse rainwater & AHU condensate to further improve the water positivity.

Goa Plant

- Conservation of Energy:
 - Goa Site has installed high efficiency boiler REVOMAX RXD-850, which is capable of generating 850 kgs/hr of steam and with thermal efficiency of 90% over 82% of existing boilers. This has enabled dry steam for the process by increasing the steam pressure at three Focus Factory and reduced the boiler operation hrs.
 - Energy management software (PME) is extended to LT ACBs, DG console and Air compressor console enabling smart alarm management, timeline analysis and energy analysis dashboards.
 - As part of phase 2 implementation, the plant will convert conventional type belt driven AHU/ Ventilator blowers with Low power and high efficiency Axial Fans (IE5). 12 nos. of blowers will be converted during 2022. This will enable energy savings of 45~50%, on the units consumed by these units and thus reduce the fixed load.
 - This year the plant will be converting DG engines to run on CNG by installing the OptiBlend system without any internal engine modifications. Plant shall achieve significant reduction in NOx and CO2 emissions. The system allows 50~70% diesel displacement with cheap natural gas.
- Conservation of Water:
 - Based on geophysical survey to delineate the aquifer zones, one new bore structure was installed with approved filtration systems, which has charged rainwater of 2,444 m3 in the last monsoon. During this year the total bore recharge was 11,813 m3.

Annexure 3 (Contd.)

- Extended Rain water catchment area of 674 Sqm and improved Process Flow for Rain Water System to increase the Rain Water yield.

Baddi Plant

- Conservation of Energy:
 - Converted CFL to LED lights. Approx saving - 156 KWH/day.
 - EC blower installation on a few AHU. Approx saving - 271 KWH/day.
 - PF improvements by calibrating capacitor banks. Approx saving - 433 KWH/day.
 - Chilled water pumps interlocking - Approx saving 10KWH/day.
 - Compressed air leakage closure - Approx saving 150 KWH/day.
- Conservation of Water:
 - Steam condensate recovery from Gel tanks installed in the toothpaste Making department- Approx saving 8KL/day.
 - Usage of RO reject water in toilet flushes. Approx saving 5 KL/day.
 - Chlorine sensor water recovery from water pre-treatment plant- Approx Saving 1 KL/day.
 - Ozone sensor water recovery from secondary water treatment plant- Approx Saving 1 KL/day.

Sri City Plant

- Conservation of Energy:
 - Through our in-house 1.788 MW solar plant we saved on 1,594 MWH units from the electricity board.
 - 450 nos. of LED lights with 70 Watts capacity are replaced with 36 Watts and resulted into saving of 110 MWH.
 - Replaced 4 nos. conventional blue flame burner with Infrared Burner and resulted in savings of 500 Kg/Month LPG.
 - With Fluke air leak study 183 air leakage points have been identified, with correction resulting in savings 210 MWH.
 - Renewal of power purchase agreement done with Sri City Solar Farm and additional power purchase agreement executed with another re-generator for next 3 years, thereby enhancing our utility green power consumption to 74%.

- Chiller plant integrated in closed loop system with demand flow algorithm, this will result in savings of 385 MWH annually.

● Conservation of Water:

- Usage of RO Plant's reject water in domestic flushing a savings of 280 KL has been achieved.
- Water efficient Aerators fixed for taps in the Washrooms & Kitchen resulted in a savings of 300 KL.
- 7,563 KL of Rainwater harvested in 2021-22 from Roof and resulted in savings of purchased water from Sri City Authority.

B) Technology Absorption:

The Company continues its efforts on various Research & Development (R&D) activities using technology received from Colgate-Palmolive Company, U.S.A., for development and manufacture of oral care and personal care products. The technology received by the Company is being absorbed and adapted to the demands of the local market. The following are some R&D and technology absorption efforts made by the Company during the year:

1. Adapted technology for products using both local and/or imported raw materials and flavors.
2. Prepared laboratory and pilot plant batches and set tentative product specifications.
3. Completed product stability tests, microbiological tests, analytical tests and method validation.
4. Optimized various manufacturing processes and filling trials.
5. Tested new product or formula among sensory expert panel Members and consumers.
6. Finalized product formulations, process and product quality specifications.
7. Identified alternate local raw material vendors.
8. Reviewed and approved product claims and provided clinical documentation support.
9. Worked in partnership with the Research & Innovation and Product Development partners in the U.S. to bring new actives/ingredients into the oral and personal care formulations.
10. Worked with the cross category research team in the U.S. on highly advanced instrumentation techniques to generate scientific data support to the products.

Annexure 3 (Contd.)

New technologies imported, allowed the Company to have a strong presence in key benefit segments of the Oral Care market viz., Cavity Protection, Gum Health, Tooth Pain

Relief, Anti-Sensitivity, Natural Protection and Freshness and Personal Care market i.e. Shampoos, Shower Gels and Liquid Hand Soap.

The details of technology imported by the Company during the last three financial years are as follows:

Governance, Leadership, and Oversight

7. Director's Statement

Dear Stakeholders,

It gives me immense pleasure to present our first edition of the Business Responsibility and Sustainability Report (BRSR). As we strive to maintain our leadership position, Colgate prioritizes sustainability, operational resilience, and organisational agility as part of its goal to rejuvenate the Company for the next phase of development. In these extraordinary times, we stay steadfast in our mission to create a healthier future for all.

Despite the challenges posed by the pandemic, we are pleased with our accomplishments in this year, pertaining to business growth, huge network enhancements and sustainability. The COVID-19 pandemic served as a stark reminder of the significance of sustainable growth and environmental stewardship. We are dedicated to reducing our operations' environmental impact, striving toward resource neutrality, and becoming a global sustainability exemplar to help shape a more safe, sustainable, and inclusive future.

Business Responsibility and Sustainability Report (Contd.)

In line with our Company's value of teamwork, we undertook a multi-stakeholder engagement approach to identify key material issues for the business. Accordingly, we strive to implement best practices and disclosures around identified material issues and ensure that any negative impact on business operations are mitigated appropriately.

Currently, we are in the process to give our ESG (Environment, Social and Governance) commitment a systematic structure in the form of sustainable practices, policies and targets. Such initiatives foster a culture of inclusion, diversity, ethical behaviour, and an opportunity to reduce our environmental footprint. We remain steadfast in implementing the concepts of sustainability across our value chain as we expand our area of positive social effect and serve more markets. Through safe and high-quality goods, we will continue to offer affordability and accessibility to transformational therapeutic solutions. At the heart of our corporate purpose, we look forward to developing a sustainable growth trajectory that allows for a shared future for all i.e., our employees, customers, and other stakeholders.

Best Wishes,
Ram Raghavan*

*We are currently in the process of capturing the R&D expenses pertaining to improvements in environmental and social impacts

2. **a. Does the entity have procedures in place for sustainable sourcing?**

Yes, Colgate has implemented a Supplier Responsible Sourcing Assessment (SRSA) program in order to identify and manage supplier risks relating to environmental and social responsibility. The program stands on four pillars of environmental management, health and safety, labor standards and business integrity.

The Company takes extreme caution in selecting suppliers who comply to ethical, social, and environmental aspects. All direct raw material suppliers are required to fill in a detailed questionnaire prior to onboarding. Once onboarded, the Company also ensures routine third-party audits of suppliers with SEDEX and charts out corresponding improvement plan and remediation actions, if required.

Further, through strategic partnership with Earthworm (a non-profit organization), the Company measures traceability of palm derivate sourcing from sustainable sources. All the key palm derivative suppliers are covered under this program.

- b. If yes, what percentage of inputs were sourced sustainably?**

65% of our inputs are sourced sustainably.

3. **Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for:**

a. Plastics (including packaging)	All pre-consumer plastic waste is sent for recycling through an authorized waste handler. The Company has also contracted with waste management service providers responsible for collection, sorting, processing, and recycling of any uncontaminated multi layered packaging waste from the market to diverting the post-consumer packaging waste towards recycling and co-processing.
b. E-waste	All e-waste is disposed off through a Government approved e-waste recycler.
c. Hazardous waste	Disposal of hazardous waste is regulated. Each type of waste is disposed off only through an authorized waste handler.
d. Other waste	All four manufacturing sites generate more of non-hazardous waste (including plastic waste, paper waste, metal waste, etc.) and majority of which is diverted towards recycling or co-processing.

4. **Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes/No).**

— If yes whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not provide steps taken to address the same.

Yes, the EPR Program is managed centrally since Colgate is registered as a PIBO with Central Pollution Control Board (CPCB). The Company has engaged five Waste Management Agencies (WMAs) to collect all the Post Consumer

Leadership Indicators

1. Provide the processes for consultation between stakeholders and the Board on economic, environmental and social topics or if consultation is delegated how is feedback from such consultations provided to the Board.

The Company, with the help of an external consultant, has engaged in an extensive stakeholder engagement and materiality assessment exercise across all groups of stakeholders to gauge their feedback and input on what is material to the business. The gaps and observations, identified during the broad evaluation process are then cascaded to the senior management level for ensuring that necessary remedial actions are undertaken. Further, the Board is updated on the remedial action taken to close the gaps and observations, if any.

For CSR activities and initiatives, basis the program objective, challenge, or inputs received during NGO reviews and stakeholder interactions (where applicable), any major change/s required are informed to the senior management during ESG and Corporate Social Responsibility Committee (ECC) and Board meetings.

2. (a) Whether stakeholder consultation is used to support the identification and management of environmental and social topics (Yes/No).	Based on the insights of the stakeholder engagement and materiality assessment, the Company has arrived at the key social and environmental aspects that are material to Colgate and its stakeholders.
(b) If so provide details of instances as to how the inputs received from stakeholders on these topics were incorporated into policies and activities of the entity.	To identify key thematic interventions, NGOs carry out joint consultations with Local Government bodies and key stakeholders to identify pressing community challenges and topics for discussion with ECC. Based on the inputs received, the ECC along with the Board initiated diverse programs. As a result, there was an addition of digital and financial literacy in women empowerment program, scaling of water initiatives in additional villages and scaling of scholarship program.

3. Provide details of instances of engagement with and actions taken to address the concerns of vulnerable/ marginalized stakeholder groups.

- Water Augmentation for Livelihoods and Women Empowerment: Initiatives such as Breeding farm pilot, Multi-cropping, Digital and Financial Literacy, Feasibility Assessment provided by government for 14 new villages.
- Water Access programs: Skilling for testing water quality and capacity building with local stakeholders.
- Keep India Smiling (KIS): Scholarship and mentorship program for underprivileged children with increased focus on diversity and inclusion.

Business Responsibility and Sustainability Report (Contd.)

4. Do you have a focal point (Individual/Committee) responsible for addressing human rights impacts or issues caused or contributed to by the business? (Yes/No)

Yes, the Company has processes and mechanism in place which addresses the Human Rights related issues.

The Company has also established an Ethics & Compliance Helpline where individuals can raise complaints. The concern is assigned to an internally trained investigator who conducts an extensive investigation. Basis the outcome of investigation, appropriate actions are taken for any alleged violations.

5. Describe the internal mechanisms in place to redress grievances related to human rights issues.

Colgate has an Internal Complaints Committee (ICC) which overlooks Prevention of Sexual Harassment and has representation from all different plants and branches. Any case that is raised is thoroughly and confidentially investigated. If found guilty, appropriate action is taken against the accused. The Company has a zero-retaliation policy in place which ensures no adverse actions against the complainant.

The Company has also established an Ethics & Compliance Helpline where individuals can raise complaints. The concern is assigned to an internally trained investigator who conducts an extensive investigation. Basis the outcome of investigation, appropriate actions are taken for any alleged violations. At a local level, the GM, Legal Director and HR Director are key points of contact for the Global ethics team and the investigator.

Colgate believes in ensuring a strong connect with all employees and listening to any issues that they may be facing. HR Business partners ensure regular one-on-one connects to help resolve any queries or issues. Any such issues are reported to HR manager or to Line manager. These issues are then shared with the relevant committee who then carries out a thorough investigation in a confidential manner to help reach a decision.

Additionally, manufacturing facilities are equipped with employee engagement initiatives and platforms such as workers committee meeting which encourage employees and workers to share ideas, grievances through plant performance reviews and suggestion schemes including employee welfare.

6. Number of Complaints on the following made by employees and workers:

	FY 2021-22			FY 2020-21		
	Filed during the year	Pending resolution at the end of year	Remarks	Filed during the year	Pending resolution at the end of year	Remarks
Sexual Harassment	3	Nil	-	5	Nil	-
Discrimination at workplace	Nil	Nil	-	Nil	Nil	-

Forced/ Involuntary Labor	Nil	Nil	-	Nil	Nil	-
Wages	Nil	Nil	-	Nil	Nil	-
Other human rights related issues	Nil	Nil	-	Nil	Nil	-

7. Mechanisms to prevent adverse consequences to the complainant in discrimination and harassment cases.

Colgate echoes the values of trust, transparency and respect in all internal and external communication. Accordingly, the Human Resource (HR) Business partners ensure direct connect with employees or workers to identify the root cause of any concerns. Collectively, they deliberate and resolve issues by undertaking appropriate action steps. Any form of discrimination or harassment issue is reported to HR Manager or to the Line Manager who then shares it with the relevant committee. All cases pertaining to discrimination are routed to Global Ethics and Compliance, whereas harassment cases are routed to Internal Complaints Committee (ICC). The respective committee then carries out a thorough investigation in a confidential manner to help reach a decision in line with Colgate's zero-retaliation policy.

8. Do human rights requirements form part of your business agreements and contracts? (Yes/No)

Yes, all our agreements require the adherence to the Colgate's Code of Conduct by the other party, which inter-alia includes Human Rights provisions.

Business Responsibility and Sustainability Report (Contd.)

9. Assessments for the year:

	% of your plants and offices that were assessed (by entity or statutory authorities or third parties)
Child labor	Colgate has implemented mechanisms by the way of relevant policies and committees (POSH) to avoid instances of human rights violations
Forced/involuntary labor	
Sexual harassment	
Discrimination at workplace	
Wages	
Others – please specify	

10. Provide details of any corrective actions taken or underway to address significant risks/concerns arising from the assessments at Question 9 above.

N.A.

Leadership Indicators

1. Details of a business process being modified/introduced as a result of addressing human rights grievances/complaints.

Nil

2. Details of the scope and coverage of any Human rights due diligence conducted.

The Company follows strict adherence to all labor laws with zero deviation. Enforcement of human rights with third party vendors is ensured through signatures in the adherence statement as part of the formal contract. For associated third parties, compliance is a core part of the business agreement. Additionally, as part of the Company's SRSA program, Colgate conducts an audit and risk assessment exercise of third-party vendors to ensure they are compliant with all human rights, ethical and legal requirements.

3. Is the premise/office of the entity accessible to differently abled visitors as per the requirements of the Rights of Persons with Disabilities Act, 2016?

In certain locations of Colgate, office premises and infrastructure are modified to enable a comfortable working environment for differently abled visitors or employees.

4. Details on assessment of value chain partners:

	% of value chain partners (by value of business done with such partners) that were assessed
Sexual Harassment	65%
Discrimination at workplace	65%
Child Labor	65%
Forced Labor/Involuntary Labor	65%
Wages	65%
Others – please specify	65%

Note: 37 suppliers, which contribute to 65% of spends, have been assessed as per the SRSA Standard

5. Provide details of any corrective actions taken or underway to address significant risks/concerns arising from the assessments at Question 4 above.

All assessments are supported with the follow-up action plan and compliance, which are updated on the SEDEX website. Adherence to the closure of all plans and compliances are monitored regularly by Colgate Palmolive Central team based out of US office of the parent Company.

ENVIRONMENT SUSTAINABILITY

Principle 6: Businesses should respect and make efforts to protect and restore the environment

Essential Indicators

1. Details of total energy consumption (in Joules or multiples) and energy intensity, in the following format:

Parameter	FY 2021-22	FY 2020-21
Total electricity consumption (GJ)	169,120.61	150,984.96
Total fuel consumption (GJ)	22,112.60	16,129.97
Energy consumption through other sources (GJ)	Nil	Nil
Total energy consumption (GJ)	191,233.22	167,114.92
Energy intensity per rupee of turnover (GJ/ ₹ lakhs) (Total energy consumption/turnover in rupees)	0.37	0.35

Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency: No

2. Does the entity have any sites/facilities identified as designated consumers (DCs) under the Performance Achieve and Trade (PAT) Scheme of the Government of India? (Yes/No)	No
If yes, Disclose whether targets set under the PAT scheme have been achieved. In case targets have not been achieved provide the remedial action taken if any.	N.A.

3. Provide details of the following disclosures related to water, in the following format:

Parameter	FY 2021-22	FY 2020-21
Water Withdrawn by the source (KL)		
i) Surface Water	Nil	Nil
ii) Ground Water	114024	117536
iii) 3rd Party Water	121489	107134
iv) Seawater/desalinated water	Nil	Nil
v) Other sources	9531	13544
Total Vol of Water Withdrawn (i + ii + iii + iv + v)	245044	238214
Total Vol of Water Consumed (KL)	245044	238214
Water intensity per rupee of turnover (KL/ ₹ lakhs) (Water consumed/turnover)	0.48	0.47

Indicate if any independent assessment/evaluation/assurance has been carried out by an external agency? (Yes/No) If yes, name of the external agency: No

4. Has the entity implemented a mechanism for Zero Liquid Discharge? (Yes/No)

Baddi: The plant recycles part quantity of wastewater as there is a mandatory requirement to discharge certain volume to common industrial wastewater treatment plant.

Sanand and Goa: Both the plants recycle and reuse 100% of the wastewater at its own site. Water is used for gardening, toilet flushing and in utilities.

Sri City: The plant recycles limited volume of water as per the norms stipulated by the local government. The small amount of recycled water is used for gardening purposes.

If yes, Provide details of its coverage and implementation.

All Colgate sites are covered to showcase its efforts towards ensuring zero liquid discharge.

Business Responsibility and Sustainability Report (Contd.)

5. Please provide details of air emissions (other than GHG emissions) by the entity, in the following format:

Parameter	Please specify unit of measurement (UoM)	FY 2021-22	FY 2020-21
NOx	Kg	2,306.78	2,195.88
SOx	Kg	692.65*	3,422.55
Particulate matter (PM)	Kg	1,686.09	1,942.64
Persistent organic pollutants (POP)		Nil	Nil
Volatile organic compounds (VOC)		Nil	Nil
Hazardous air pollutants (HAP)		Nil	Nil
Others – please specify		Nil	Nil

*The reduction in SOx emissions is a result of fuel change in boiler operations from Diesel to Natural Gas

Indicate if any independent assessment/evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency: Yes, government authorized agencies carry out monitoring in every state as per SPCB norms

6. Provide details of greenhouse gas emissions (Scope 1 and Scope 2 emissions) & its intensity, in the following format:

Parameter	Unit	FY 2021-22	FY 2020-21
Total Scope 1 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent	1,623.53	1,184.58
Total Scope 2 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent	31,006.98	28,257.05
Total Scope 1 and Scope 2 emissions per rupee of turnover (Metric tonnes of CO₂ equivalent/₹ lakhs)		0.06	0.06

Note: The data pertains to Company's four manufacturing plants

Indicate if any independent assessment/evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency: No

7. Does the entity have any project related to reducing Green House Gas emission?

If yes, then provide details.

Colgate utilizes green energy produced from Hydroelectric power stations (for e.g., 85% of the total consumption in Baddi Plant is from hydro power) which reduces CO₂ emissions by substituting burning of fossil fuels. The Company has further switched over to using CNG piped gas for its boilers at Goa and Sanand facility. All plants consume refrigerant gases that are environment friendly. The plants in Sri City and Sanand use power generated through renewable sources including wind and solar power.

All new machines and equipment are energy efficient, thereby using less energy which lead to reduction in carbon emissions. The Company has planned to budget 5% of CEB spending for projects that support our transition towards becoming green.

8. Provide details related to waste management by the entity, in the following format:

Total Waste generated (in metric tonnes)			
Parameter	FY 2021-22	FY 2020-21	
Plastic waste (A)	710.99	636.90	
E-waste (B)	3.10	1.24	
Bio-medical waste (C)	2.90	3.38	
Construction and demolition waste (D)	Nil	Nil	
Battery waste (E)	27.82	3.11	
Radioactive waste (F)	Nil	Nil	

Business Responsibility and Sustainability Report (Contd.)

Total Waste generated (in metric tonnes)		
Parameter	FY 2021-22	FY 2020-21
Other Hazardous waste. Please specify, if any. ETP Sludge (G)	368.48	356.52
Other Non-hazardous waste generated (H): Spent oil	2.01	0.78
Other Non-hazardous waste generated (H): Waste cream	596.86	741.53
Other Non-hazardous waste generated (H): Other	2,466.56	2,327.59
Total (A+B + C + D + E + F + G + H)	4,178.71	4,071.04

Indicate if any independent assessment/evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency: No

For each category of waste generated, total waste recovered through recycling, re-using or other recovery operations (in metric tonnes)

Parameter	FY 2021-22	FY 2020-21
Category of Waste		
(i) Recycled	3,067.15	3,083.04
(ii) Re-used	921.62	914.99
(iii) Other recovery operations	Nil	Nil
Total	3,988.77	3,998.04

For each category of waste generated, total waste disposed by nature of disposal method (in metric tonnes)

Parameter	FY 2021-22	FY 2020-21
Category of disposal Method		
(i) Incineration	3.111	3.228
(ii) Landfilling	17.626	12.284
(iii) Other disposal operations	Nil	Nil
Total	20.737	15.512

9. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your Company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes.

The Company sends all its hazardous waste only to government approved waste management agencies. All batteries are sent to manufacturers only as part of the buy-back program. Colgate is further exploring the possibility of decreasing testing of raw materials or work-in-progress to achieve reduction in consumption of hazardous chemicals which would later be disposed-off as "hazardous waste". Additionally, the Company has limited its dependence on chemicals for testing purposes in Laboratory.

10. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals/clearances are required, please specify details in the following format:

Location of operations/offices	Type of operations	Whether the conditions of environmental approval/clearance are being complied with? (Yes/No) If no, the reasons thereof and corrective action taken, if any.
		Nil

11. Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the current financial year:

Name and brief details of project	EIA Notification No.	Date	Whether conducted by independent external agency (Yes/No)	Results communicated in public domain (Yes/No)	Relevant Web link
					Nil

Business Responsibility and Sustainability Report (Contd.)

12. Is the entity compliant with the applicable environmental law/regulations/guidelines in India, such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment Protection Act and Rules thereunder (Yes/No). If not, provide details of all such non-compliances, in the following format:

Specify the law/regulation/guidelines which was not complied with	Provide details of the non-compliance	Any fines/penalties/action taken by regulatory taken by regulatory agencies such as pollution control boards or by courts.	Corrective action taken, if any
All Colgate sites are compliant to all the above-mentioned norms			

Leadership Indicators

1. Provide break-up of the total energy consumed (in Joules or multiples) from renewable and non-renewable sources, in the following format:

Parameter	FY 2021-22	FY 2020-21
From Renewable Sources (GJ)		
Total electricity consumption (A)	27,822.96	22,218.65
Total fuel consumption (B)	Nil	Nil

4. With respect to the ecologically sensitive areas reported at Question 10 of Essential Indicators above, provide details of significant direct & indirect impact of the entity on biodiversity in such areas along with prevention and remediation activities.

N.A.

5. If the entity has undertaken any specific initiatives or used innovative technology or solutions to improve resource efficiency, or reduce impact due to emissions/effluent discharge/waste generated, please provide details of the same as well as outcome of such initiatives, as per the following format:

Business Responsibility and Sustainability Report (Contd.)

Initiative undertaken	Details of the initiative (Web-link, if any, may be provided along-with summary)	Outcome of the initiative
Introduction of Recyclable tube	Mono-material High Density Polyethylene (HDPE) based tube which can be recycled.	The tube structure facilitates sorting and segregating into High Density Polyethylene (HDPE) stream. This helps the recycling industry to easily recover material, reduce landfill and eliminate waterbody contamination.
Use of rPET in toothbrush blisters	Use of 80% recycled PET flakes for making the PET rolls for blister making.	Ensures reduction in consumption of virgin PET (Plastics) material by increasing dependency on industrial and consumer waste.
Use of recycled board for cartons (toothpaste) and backer cards (toothbrush)	Board with recycled paper pulp being used for making cartons and backer cards.	Ensures reduction in consumption of plant based virgin pulp by increasing dependency on industrial and consumer wastepaper.
Use of recycled kraft paper for shippers in toothpaste and toothbrush.	Kraft paper with recycled paper pulp being used for making shippers.	
Use of BOPP film for bundling of cartons in toothpaste.	Mono-material Polypropelene based film thickness increased from 22 micron to 50 micron.	Increase in thickness helps in recovery of material by the recycling industry and reduce landfill and waterbody contamination.

6. Does the entity have a business continuity and disaster management plan? Give details in 100 words/web link.

Yes, each plant has a documented Business Continuity Plan (BCP), where various aspects of identified disasters have been studied. Additionally, identified risks have been evaluated as part of the plan with corresponding remedial actions. Each site can also produce product from other location in case of a local disaster to support and continue the business operations.

7. Disclose any significant adverse impact to the environment arising from the value chain of the entity. What mitigation or adaptation measures have been taken by the entity in this regard?

All plants have a comprehensive Business Continuity Plan in case of any adverse impacts or disasters.

8. Percentage of value chain partners (by value of business done with such partners) that were assessed for environmental impacts.

37 suppliers which contribute to 65% of the spends.

RESPONSIBLE PUBLIC ADVOCACY

Principle 7: Businesses, when engaging in influencing public and regulatory policy, should do so in a manner that is responsible and transparent

Essential Indicators

1. (a) Number of affiliations with trade and industry chambers/associations.

Independent Auditor's Report

To the Members of Colgate-Palmolive (India) Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Colgate-Palmolive (India) Limited ("the Company"), which comprise of the Balance sheet as at March 31, 2022, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants

of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the financial year ended March 31, 2022. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial statements.

Independent Auditor's Report (Contd.)

Independent Auditor's Report for the year ended March 31, 2022

Key audit matters	How our audit addressed the key audit matter
<p>(a) Revenue recognition (as described in Note 26 of the financial statements)</p> <p>Revenue from the sale of goods is measured net off discounts and rebates that are given to the customers (i.e, to the Wholesale traders and Retail traders) as a part of sales promotion, comprising of primary and secondary schemes.</p> <p>Of the total discounts and rebates passed on to the customers, certain discounts and rebates are passed on to the customers only on secondary sale made by wholesale trader to retail trader i.e., secondary schemes.</p> <p>Significant judgement is required in estimating accruals relating to secondary schemes recognized, based on sales made during the year.</p>	<p>We have performed the following audit procedures:</p> <ul style="list-style-type: none"> • Our audit procedures included, amongst others, assessing the appropriateness of the Company's revenue recognition accounting policies including those relating to discounts and rebates for primary and secondary sales. • Obtained an understanding, assessed and tested the operating effectiveness of internal control relating to the identification, recognition and measurement of discounts and rebates for secondary schemes. • Tested on sample basis, the underlying documentation and assumptions, for discount and rebate provisions accrued during the year in relation to secondary sales. • Tested on sample basis, the subsequent claims accounted by the company, to assess the adequacy of accruals outstanding as at year end. • Performed an analysis between historical accrual and actual expenses incurred for the previous periods. • Obtained reasons from management to ascertain reasonableness in relation to ageing of outstanding accruals and verified subsequent settlement of provisions. • We assessed the adequacy of the disclosures in respect of revenue to be disclosed as per Ind AS 115.
<p>(b) Contingent liabilities / provisions in relation to tax Litigations (as described in Note 33 of the Financial statements)</p> <p>The Company has received various demand orders and notices under various tax laws which the Company is contesting. In cases where the outflow of resources embodying economic benefits is probable, the company has made provision and in cases where outflow of resources embodying economic benefits is possible, then such items are disclosed as contingent liabilities.</p> <p>Significant judgements and estimates are required to assess impact of these litigations on the financial position, results of operations and cash flows.</p>	<p>We have performed the following audit procedures:</p> <ul style="list-style-type: none"> • Obtained an understanding, assessed and tested the internal control environment relating to the identification, recognition and measurement of provisions for disputes and disclosures of contingent liabilities in relation to tax litigations. • Obtained details of completed tax assessments and demands issued by tax authorities, from the management. • Read the orders/notices received from tax authorities and held discussion with management to understand management's assessment of the quantification and likelihood of significant exposures and the provision required for specific cases. We engaged tax specialists to evaluate the current status of tax assessments and management's position in relation to on-going disputes with regard to likelihood assessment of exposure done by the management. • Analysed the management's estimates related to the recognized provisions for disputes and disclosures of contingent liabilities in relation to tax litigations and uncertain tax positions in the financial statements.

Independent Auditor's Report for the year ended March 31, 2022

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue

as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Independent Auditor's Report (Contd.)

Independent Auditor's Report for the year ended March 31, 2022

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year ended March 31, 2022 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of

section 143 of the Act, we give in the "Annexure I" a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by Section 143(3) of the Act, we report that:

- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
- In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act;
- With respect to the adequacy of the internal financial controls with reference to these financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure II" to this report;
- In our opinion, the managerial remuneration for the year ended March 31, 2022 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;
- With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

ANNEXURE I TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF COLGATE-PALMOLIVE (INDIA) LIMITED

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (b) All property, plant and equipment are physically verified by the Management in the previous year in accordance with a planned programme of verifying them once in three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets.
- (c) The title deeds of immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the company.
- (d) The Company has not revalued its Property, Plant and Equipment (including Right of use assets) during the year ended March 31, 2022.
- (e) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The management has conducted physical verification of inventory at reasonable intervals during the year. In our opinion, the coverage and the procedure of such verification by the management is appropriate. No material discrepancies of inventory were noticed on such physical verification. Inventories lying with third parties have been confirmed by them as at March 31, 2022 and no material discrepancies were noticed in respect of such confirmations.
- (b) The Company has not been sanctioned working capital limits in excess of ₹ five crores in aggregate from banks or financial institutions during any point of time of the year on the basis of security of current assets. Accordingly, the requirement to report on clause 3(ii)(b) of the Order is not applicable to the Company.

- (iii) (a) During the year the Company has provided loans to companies as follows:

Particulars	Loans (₹ Lakhs)
Aggregate amount provided during the year	2,500
Balance outstanding as at balance sheet date in respect of above cases	625

- (b) During the year the terms and conditions of the grant of all loans to companies are not prejudicial to the Company's interest. During the year the Company has not made investments, provided guarantees, provided security and granted advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties.
- (c) The Company has granted loan during the year to companies where the schedule of repayment of principal and payment of interest has been stipulated and the repayment or receipts are regular.
- (d) There are no amounts of loans and advances in the nature of loans granted to companies, firms, limited liability partnerships or any other parties which are overdue for more than ninety days.
- (e) There were no loans or advance in the nature of loan granted to companies, firms, Limited Liability Partnerships or any other parties which was fallen due during the year, that have been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties
- (f) The Company has not granted any loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(f) of the Order is not applicable to the Company.

Independent Auditor's Report (Contd.)

Independent Auditor's Report for the year ended March 31, 2022

- (iv) There are no loans, investments, guarantees, and securities given in respect of which provisions of section 185 of the Companies Act 2013 are applicable and hence not commented upon. Independent Auditor's Report (Contd.)

Independent Auditor's Report for the year ended March 31, 2022

ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF COLGATE-PALMOLIVE (INDIA) LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to Financial statements of Colgate- Palmolive (India) Limited ("the Company") as of March 31, 2022 in conjunction with our audit of the Financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these Financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these Financial statements was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit

evidence about the adequacy of the internal financial controls with reference to these Financial statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial statements included obtaining an understanding of internal financial controls with reference to these Financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these Financial statements.

Meaning of Internal Financial Controls with Reference to these Financial Statements

A company's internal financial controls with reference to Financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to Financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to Financial statements, including

Independent Auditor's Report (Contd.)

Independent Auditor's Report for the year ended March 31, 2022

the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Financial statements to future periods are subject to the risk that the internal financial control with reference to Financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to Financial statements and such internal financial controls with reference to Financial statements were operating

effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes to the Financial Statements

for the year ended March 31, 2022

1A. CORPORATE INFORMATION:

Colgate-Palmolive (India) Limited is a subsidiary of Colgate-Palmolive, USA and a listed Company in India. The Company was incorporated on September 23, 1937 under the provisions of The Companies Act. The registered office of the company is located at Colgate Research Center, Main street, Hiranandani Gardens, Powai, Mumbai – 400076. Its shares are listed on two recognized stock exchanges in India. The Company is engaged in manufacturing/trading of toothpaste, tooth powder, toothbrush, mouthwash and personal care products.

These financial statements for the year ended March 31, 2022 were approved by the Board of Directors on May 26, 2022.

1B. SIGNIFICANT ACCOUNTING POLICIES:

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

(a) Basis of preparation

i. Compliance with Ind AS

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) and Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to Companies Act, 2013, (Ind AS Compliant Schedule III), as applicable to financial statements.

The financial statements are presented in INR and all values are rounded to the nearest lakhs (INR 00,000), except when otherwise indicated.

ii. Historical Cost Convention

These financial statements have been prepared on a historical cost basis, except as disclosed in the accounting policies below:

- Certain financial assets and liabilities are measured at fair value;
- Defined Benefit Plans - plan assets measured at fair value;
- Share-Based payments; and

- Assets held for sale – measured at lower of cost and fair value less costs to sell

iii. Current versus Non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current / non-current classification of assets and liabilities.

(b) Foreign currency translation

i. Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in

Notes to the Financial Statements

for the year ended March 31, 2022

Indian currency (INR), which is the Company's functional and presentation currency.

ii. Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Realized gains and losses on settlement of foreign currency transactions are recognized in the Statement of Profit and Loss. Foreign currency denominated monetary assets and liabilities at the year-end are translated at the year-end exchange rates, and the resultant exchange difference is recognized in the Statement of Profit and Loss. Non-monetary foreign currency items are carried at cost.

(c) Property, plant and equipment

Property, plant and equipment are stated at historical cost less depreciation and impairment loss, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items including capital spares which are identified as a part of property, plant and equipment.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognized.

Capital Work-In-Progress

Cost and direct expenses incurred for construction of assets or assets to be acquired, which are not ready to use in the manner intended by the management are disclosed under Capital Work-In-Progress.

Depreciation methods, estimated useful lives and residual value

The useful lives of the assets are based on technical estimates approved by the Management, and are lower than or same as the useful lives prescribed under schedule II to the Companies Act, 2013 in order to reflect the period over which depreciable assets are expected to be used by the Company. Depreciation is calculated on a pro-rata basis on the straight line method so as to write-down the cost of property, plant and equipment to its residual value systematically over its estimated useful life based on useful life of the assets as prescribed under Part C of Schedule II to the Companies Act, 2013 except in case of following assets, wherein based on internal assessment and technical evaluation, a different useful life has been determined.

Asset Class	Useful Life
Residential and Office Buildings	40 years
Factory Buildings	20 years
Plant and Equipment	7 to 15 years
Dies and Moulds (included in Plant and Equipment)	3 years
Furniture and Fixtures	5 years
Office Equipment (including Computer Servers)	5 years

Estimated useful lives, residual values and depreciation methods are reviewed annually, taking into account commercial and technological obsolescence as well as normal wear and tear and adjusted prospectively, if appropriate.

Notes to the Financial Statements

for the year ended March 31, 2022

(d) Leases

As a Lessee

The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contract involves the use of an identified asset
- (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) the Company has the right to direct the use of the asset.

At the commencement date of a lease, the Company recognizes a liability to make lease payments (i.e., the lease liability) and an asset representing the right to use the underlying asset during the lease term (i.e., the right-of-use asset). Right-of-use assets are measured at cost, less any accumulated depreciation, impairment losses and adjusted for any re-measurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognized and lease payments made at or before the commencement date. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets. If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

The Company recognizes lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company. In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date.

After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is re-measured if there is a modification or a change in the lease term. The Company separately recognizes the interest expense on the lease liability as finance cost and the depreciation expense on the right-of-use asset.

The Company accounts for a lease modification as a separate lease when both of the following conditions are met:

- The modification increases the scope of the lease by adding the right to use one or more underlying assets.
- The consideration for the lease increases commensurate with the standalone price for the increase in scope and any adjustments to that stand-alone price reflects the circumstances of the particular contract.

For a lease modification that fully or partially decreases the scope of the lease the Company decreases the carrying amount of the right-of-use asset to reflect partial or full termination of the lease. Any difference between those adjustments is recognized in profit or loss at the effective date of the modification.

The Company has elected to use the exemptions proposed by the standard on lease contracts for which the lease terms ends within 12 months as of the date of initial application, and lease contracts for which the underlying asset is of low value which is considered to be ₹ 3.5 Lakhs.

As a Lessor

Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognized over the lease term on the same basis as rental income. Contingent rents

Notes to the Financial Statements

for the year ended March 31, 2022

are recognized as revenue in the period in which they are earned.

(e) Investment property

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalized to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

Investment properties are depreciated using the straight-line method over their estimated useful lives which are 40 years.

Though the Company measures investment property using cost based measurement, the fair value of investment property is disclosed in the notes. Fair values are determined based on an annual evaluation performed by an accredited external independent valuer.

Investment properties are derecognized either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in profit or loss in the period of de-recognition.

(f) Intangible assets

Intangible Assets are stated at acquisition cost, net of accumulated amortization and accumulated impairment loss, if any.

Amortization

Intangible assets comprise Goodwill, Trademarks, Copyright and Technical Know-how. Intangible assets (other than Goodwill) are amortized over the useful life of assets, not exceeding 10 years.

The estimated useful life and amortization methods are reviewed at the end of each

annual reporting period, with the effect of any changes in the estimate being accounted for on a prospective basis.

Expenditure on research is recognized as an expense when it is incurred. Development costs of products are also charged to the Statement of Profit and Loss unless all the criteria for capitalization have been met by the Company. Development expenditures on an individual project are recognized as an intangible asset when the Company can demonstrate:

- The technical feasibility of completing the intangible asset so that the asset will be available for use or sale
- Its intention to complete and its ability and intention to use or sell the asset
- How the asset will generate future economic benefits
- The availability of resources to complete the asset
- The ability to measure reliably the expenditure during development

(g) Impairment of non-financial assets

At each balance sheet date, the Company reviews whether there is an indication that an asset may be impaired. If any indication exists, the company estimates the recoverable amount of its assets other than inventory and deferred tax. An impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is determined as higher of the asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the levels for which there are separately identifiable cash flows (cash generating unit). Assessment is done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in the prior accounting period may no longer exist or may have decreased. An impairment loss is reversed to the extent that the assets carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognized.

Notes to the Financial Statements

for the year ended March 31, 2022

(h) Inventories

Inventories of raw and packing materials, stores, work-in-progress, finished goods and stock in trade are valued at lower of cost or net realizable value.

- Cost is determined using standard cost method that approximates actual cost.
- Cost of work-in-progress and finished goods includes materials, labour and manufacturing overheads and other costs incurred in bringing the inventories to their present location and condition.

Spares that do not qualify to be recognized as Property, Plant and Equipment are included in stores and spares.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

(i) Trade Receivables

Trade receivables are recognized initially at fair value and subsequently measured at amortized cost net of any expected credit losses, if any. The company provides for expected credit loss using simplified approach based on the probability of defaults which are possible over the lifetime of assets.

(j) Cash and Cash equivalents

For the purpose of presentation in the Statement of cash flows, cash and cash equivalents include cash in hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(k) Financial Assets:

i. Initial recognition and measurement

All financial assets are recognized initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset, except in the case of financial assets not recorded at fair value through profit or loss. Transaction costs of financial assets carried at fair value through profit or loss are expensed through the Statement of Profit and Loss.

Subsequent measurement

For purposes of subsequent measurement, the Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in the Statement of Profit and Loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

Amortized cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortized cost is recognized in Statement of Profit and Loss when the asset is derecognized or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

Notes to the Financial Statements

for the year ended March 31, 2022

Fair value through Other Comprehensive Income (FVOCI)

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in the Statement of Profit and Loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to Statement of Profit and Loss. Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through Profit or Loss (FVTPL)

Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through Profit or Loss is recognized in the Statement of Profit and Loss in the period in which it arises. Interest income from these financial assets is included in other income.

ii. Derecognition

A financial asset is derecognized only when:

- the rights to receive cash flows from the financial asset have expired, or
- the Company has transferred its rights to receive cash flows from the financial asset or has assumed an obligation to pay the received cash flows to one or more recipient

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognized if the company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset. Expected credit losses are recognized for all financial assets subsequent to initial recognition.

(I) Financial Liabilities

i. Classification as liability or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

ii. Initial recognition and measurement

Financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortized cost unless at initial recognition, they are classified as fair value through profit or loss.

iii. Subsequent measurement

Financial liabilities are subsequently measured at amortized cost using the effective interest rate method. Financial liabilities carried at fair value through profit or loss is measured at fair value with all changes in fair value recognized in the Statement of Profit and Loss.

iv. Derecognition

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are usually unsecured. Trade and other payables are presented as current liabilities unless payment is not due within twelve months

Notes to the Financial Statements

for the year ended March 31, 2022

after the reporting period. They are recognized initially at their fair value.

Provisions

The Company recognizes a provision when there is a present legal or constructive obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognized as an interest expense.

Contingent Liability

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

(m) Revenue from operations

i. Sale of goods

The Company's revenue contracts represent a single performance obligation to sell its products to trade customers. Sales are recorded at the time control of the products is transferred to trade customers, in an amount that reflects the consideration the Company expects to be entitled to in exchange for the products. Control is the ability of trade customers to direct the use of and obtain the benefit from our products. In evaluating the timing of the transfer of control of products to trade customers, the Company considers transfer of significant risks and rewards of products and the probability of flowing of future economic benefit to the Entity as per the terms of the Contract which usually coincide with the delivery of the goods.

Sales are recognized at the fair value of the

consideration that can be reliably measured and reduced by variable consideration. Variable consideration includes sales returns, trade discounts, volume based incentives, and cost of promotional programs, indirect taxes as may be applicable.

The Company provides volume based incentives to certain customers once the quantity of products purchased during the period exceeds a threshold specified in the contract. Incentives are offset against amounts payable by the customer. To estimate & recognize a liability for the incentives, the Company applies methods which best predicts the amount of incentive and is primarily driven by the number of volume thresholds contained in the contract. The volume incentive is estimated at contract inception and recognized when it is highly probable that significant revenue reversal will not occur.

Company's contracts with trade customers do not have significant financing components or non-cash consideration and the Company does not have unbilled revenue or significant amounts of prepayments from customers.

The company pays sales commission to its employees for contract that they obtain for sales of goods and immediately expensed out sales commissions (included under employee benefits).

Contract balances

Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognized when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognized as revenue when the Company performs its obligation to transfer goods or services under the contract.

ii. Service Income

Service Income is recognized on cost plus basis as per the terms of the contract with customers,

Notes to the Financial Statements

for the year ended March 31, 2022

as and when the service is performed.

iii. Interest income

Interest income from debt instruments is recognized using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

iv. Rental income

Rental income from operating leases where the Company is a lessor is recognized in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

v. Government Grant

Government grants are recognized where there is reasonable assurance that the grant will be received, and all attached conditions will be complied with. When the grant relates to an expense item, it is recognized as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. Ind AS 20 permits the grant to be recognized in profit or loss. The Company has chosen to present grants related to an expense item as other operating income in the Statement of Profit and Loss.

(n) Employee Benefits

i. Short Term Employee Benefits

Liabilities for salaries, wages and performance incentives including non-monetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognized in respect of employees services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities

are presented as current employee benefits obligations in the Balance Sheet.

ii. Long Term Employee Benefits

• Defined Contribution Plans

Provident Fund, Superannuation Fund and Employee's State Insurance:

The Company has Defined Contribution Plans for its employees such as Provident Fund, Superannuation Fund, Employee's State Insurance etc. and contribution to these plans are charged to the Statement of Profit and Loss as incurred, as the Company has no further obligation beyond making the contributions.

• Defined Benefit Plans

Gratuity:

The Company provides for gratuity, a defined benefit plan (the "Gratuity Plan") covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur directly in other comprehensive income. They are included in retained earnings in the Statement of changes in Equity and in the Balance Sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in the Statement of profit and loss as past service cost. Remeasurements are not reclassified to Profit or Loss in subsequent periods.

Notes to the Financial Statements

for the year ended March 31, 2022

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Provident Fund:

In respect of certain employees, Provident Fund contributions are made to a Trust administered by the Company. The interest rate payable by the trust to the beneficiaries every year is notified by the Government. The Company has an obligation to make good the shortfall, if any, between the return from the investment of the trust and interest as per the notified rate. The Company's liability is actuarially determined (using the Projected Unit Credit Method) at the end of the year. Measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur directly in other comprehensive income. They are included in retained earnings in the Statement of changes in Equity and in the Balance Sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in the Statement of profit and loss as past service cost. Remeasurements are not reclassified to Profit or Loss in subsequent periods.

Pension:

The Company provides for retirement/post-retirement benefits for certain employees in the form of Pension (Non-funded) which are in the nature of Defined Benefit Plans. Such benefits are provided for on the basis of an independent actuarial valuation done at the year-end using Projected Unit Credit Method. Measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur directly in other comprehensive income. They are included in retained earnings in

the Statement of changes in Equity and in the Balance Sheet. Remeasurements are not reclassified to profit or loss in subsequent periods.

Compensated Absences:

Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year and are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end.

Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year end are treated as other long term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/gains are recognized in the Statement of Profit and Loss in the year in which they arise.

Voluntary Retirement Scheme:

Expenditure on voluntary retirement scheme is charged to the Statement of Profit and Loss in the year in which incurred.

Share based Payments

The Company does not provide any equity-based compensation to its employees. However, the parent Company, Colgate Palmolive Company, U.S.A. ("the grantor") maintains equity incentive plans that provide for the grant of stock-based awards to its executive directors and certain categories of officers and employees. The 2009 Executive Incentive Compensation Plan and 2013 Incentive Compensation Plan ("Incentive Plan") provides for the grant of non-qualified and incentive stock options, as well as restricted stock units which are together referred to as employee stock options. Exercise prices in the case of non-qualified and incentive stock options are

Notes to the Financial Statements

for the year ended March 31, 2022

not less than the fair value of the underlying common stock of the grantor on the date of grant.

A stock option gives an employee, the right to purchase shares of Colgate Palmolive Company common stock at a fixed price for a specific period of time. Stock options generally have a term of six years and vest over three years.

A restricted stock unit (RSU) provides an employee with a share of Colgate Palmolive Company common stock upon vesting. Restricted stock units vest in annual installments generally over a period of three years. Dividends will accrue with each restricted stock unit award granted subsequent to grant date.

Employee Stock Options (ESOPs) issued by the parent entity are accounted for as equity-settled as the Company has no obligation to settle the share-based payment transaction and also the shares are of parent Company.

Company recognizes the expense over the vesting period, which is the period over which all of the specified vesting conditions are to be satisfied, as determined on the grant date, based on the fair value of the options/RSUs. At the end of each period, the entity revises its estimates of the number of options that are expected to vest based on the non-market vesting and service conditions. It recognizes the impact of the revision to original estimates, if any, in the Statement of Profit and Loss, with a corresponding adjustment to equity.

In case where there is a clear link between the recharge from the parent company and the expense, Company accounts for the recharge as capital distribution even if the amount of recharge is more than the expense recognized over the vesting period (as the recharge is based on the intrinsic value).

In case where the employee has not served the Company during the vesting period and for which they get the debit note from

parent, the cost is debited to management recharge expense.

Further, where the management recharge is not expected from the parent entity as the employee has been relocated to another group company i.e. the employee is not expected to render future services to the Company at the time of exercise of option, the Company transfers the proportionate amount of share options outstanding account related to such employees to Retained Earnings, after taking into consideration the probability of employees re-locating back to the Company.

(o) Income Tax

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with prevailing income tax law. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

The Company evaluates whether it has any uncertain tax positions which requires adjustments to provision for current tax. The Company has ongoing disputes with Income Tax Authorities on various matters. In respect of certain allowance/deductions, it is probable that such positions will not be accepted by Tax authorities and hence the same has been considered and adequately provided for while calculating current tax provision of the respective years. In respect of certain allowances/ deductions taken by the Company, it is probable that such disputes will be accepted by Tax authorities and hence the same have been considered and disclosed as a part of Contingent Liability.

- **Current Tax**

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and

Notes to the Financial Statements

for the year ended March 31, 2022

there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

- **Deferred Tax**

Deferred tax is recognized for all the deductible temporary differences by using the liability method, only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. At each Balance Sheet date, the Company reassesses unrecognized deferred tax assets, if any.

Deferred tax relating to items recognized outside profit or loss is recognized either in other comprehensive income or in equity. Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Unrecognized deferred tax assets are reassessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

(p) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker ("CODM"). The CODM, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Managing Director and Finance Director of the Company. The Company has identified 'Personal Care (including Oral Care)' as its only primary

reportable segment, which primarily includes products such as Soaps, Cosmetics and Toilet Preparations.

(q) Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments.

(r) Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

(s) Contributed Equity

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax.

(t) Earnings Per share

i. Basic Earnings per Share

Basic earnings per share are calculated by dividing:

- the profit attributable to owners of the Company
- By the weighted average number of equity shares outstanding during the financial year.

ii. Diluted Earnings per share

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

2. CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgments are:

- Estimation of defined benefit obligation (Note 29)

- Estimation of Useful life of Property, plant and equipment and intangibles (Note 3)
- Estimation of taxes (Note 20 and 32)
- Estimation of impairment of trade receivables (Note 9)
- Estimation of provision and contingent liabilities (Note 25 and 33)
- Estimation of Share based payments to employees (Note 39)
- Estimation of variable consideration in respect of revenue recognition (Refer Note 1B(m) and Note 26)

Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

Performance obligation

The Company's revenue contracts represent a single performance obligation to sell its products to trade customers. Sales are recorded at the time control of the products is transferred to trade customers, in an amount that reflects the consideration the Company expects to be entitled to in exchange for the products. Control is the ability of trade customers to direct the use of and obtain the benefit from our products. In evaluating the timing of the transfer of control of products to trade customers, the Company considers transfer of significant risks and rewards of products and the probability of flowing of future economic benefit to the entity as per the terms of the Contract which usually co-incide with the delivery of the goods. The performance obligation for service income is satisfied as and when the service is performed.

The payment terms include advance payment and credit given to certain customers.

The nature of goods includes personal care (including oral care) and Research and Development service income.

Variable consideration

Variable consideration includes sales returns, trade discounts, volume based incentives, and cost of promotional programs, indirect taxes as may be applicable.

NOTE 39 - SHARE BASED PAYMENTS

(a) Employee option plan

The Company does not provide any equity-based compensation to its employees. However, the parent company, Colgate-Palmolive Company, U.S.A. ("the grantor") maintains equity incentive plans that provide for the grant of stock-based awards to its executive directors and certain categories of officers and employees. The Parent's Incentive Plan provides for the grant of non-qualified and incentive stock options, as well as restricted stock units. Exercise prices in the case of non-qualified and incentive stock options are not less than the fair value of the underlying common stock on the date of grant.

A stock option gives an employee, the right to purchase shares of Colgate-Palmolive Company common stock at a fixed price for a specific period of time. Stock options generally have a term of six years from the date of grant and vest over a period of three years.

A restricted stock unit provides an employee with a share of Colgate-Palmolive Company common stock upon vesting. Restricted stock units vest generally over a period of three years. Dividends will accrue with each restricted stock unit award granted subsequent to the grant date.

Weighted average remaining contractual life of options outstanding at end of year			4.55 years	4.13 years

Fair Value of options granted

The fair value at the grant date of options granted during the year ended March 31, 2022 was ₹ 815.97 per option (March 31, 2021 : ₹ 848.55 per option). The fair value at grant date is determined using the Black-Scholes Model which takes into account the exercise price, expected volatility, option's life, the share price at grant date, expected price volatility of the underlying share, the expected dividend yield and the risk free interest rate for the term of the option.

The model inputs for the options granted during the year ended March 31, 2022 and March 31, 2021 are as below:

Particulars	March 31, 2022	March 31, 2021
Expected volatility (%)	20.28%	21.77%
Expected life of the options	6 years	6 years
Risk free interest rate(%)	1.01%	0.46%
Grant Year	2021	2020
Expiry Year	2031	2030
Expected dividend (%)	2.32%	2.29%

The risk free interest rates are determined based on the zero-coupon sovereign bond yields with maturity equal to the expected term of the option. The expected volatility was determined based on the volatility of the equity share for the period of one year prior to issue of the option. Volatility calculation is based on historical stock prices using standard deviation of daily change in stock price. The historical period is taken into account to match the expected life of the option. Dividend yield has been calculated taking into account expected rate of dividend on equity share price as on grant date.

NOTE 41 - FINANCIAL RISK MANAGEMENT

Inherent to the nature of the Company's business are a variety of financial risks, namely liquidity risk, market risk and credit risk. Developing policies and processes to assess, monitor, manage and address these risks is the responsibility of the Company's Management. The Risk Management Committee oversees this risk management framework in the Company and intervenes as necessary to ensure there exists an appropriate level of safeguards against the key risks. Updates on compliance, exceptions and mitigating action are placed before the Audit Committee periodically. Risk management policies and systems are reviewed regularly to reflect changes like major changes in ERP systems or go to market model, changes in organization structure, events denoting material change in the risk environment, etc.

The Company's Management works closely with its Treasury department and Internal Audit department to ensure there are appropriate policies and procedures governing the operations of the Company with a view to providing assurance that there is visibility into financial risks and that the business is being run in conformity with the stated risk objectives. Periodic reviews with concerned stakeholders provides an insight into risks to the business associated with currency movements, credit risks, commodity price fluctuations, etc. and necessary deliberations are undertaken to ensure there is an appropriate response to the developments.

A MANAGEMENT OF LIQUIDITY RISK

The Company follows a conservative policy of ensuring sufficient liquidity at all times through a strategy of profitable growth, efficient working capital management as well as prudent capital expenditure and dividend policies. The Company has a overdraft facility with banks to support any temporary funding requirements. The Company is cognizant

Notes to the Financial Statements

for the year ended March 31, 2022

of reputational risks that are associated with the liquidity risk and the risk is factored into the overall business strategy.

The Company's treasury department regularly monitors the rolling forecasts to ensure it has sufficient cash on an on-going basis to meet operational needs. Any short term surplus cash generated by the operating entities, over and above the amount required for working capital management and other operational requirements, is retained as cash and cash equivalents (to the extent required) and any excess is invested in interest bearing term deposits and debt investments with appropriate maturities to optimise the cash returns on investments while ensuring sufficient liquidity to meet its liabilities.

The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows as at the Balance Sheet date.

B MANAGEMENT OF MARKET RISK

The Company's size and operations result in it being exposed to the following market risks that arise from its use of financial instruments:

- currency risk;
- commodity price risk;

The above risks may affect the Company's income and expenses, or the value of its financial instruments. The objective of the Company's Management of market risk is to maintain this risk within acceptable parameters, while optimising returns. The Company's exposure to, and management of, these risks is explained below.

POTENTIAL IMPACT OF RISK	MANAGEMENT POLICY	SENSITIVITY TO RISK
1. CURRENCY RISK		
The Company is subject to the risk of changes in foreign currency values that impact costs of imported raw material (directly and by local suppliers), import of finished goods, equipment for expansion at the plants, expatriate costs, service income, reimbursement of expenses, service related charges from overseas related and third parties as well as revenue from exports. Receivable and Payable having foreign currencies denomination in the balance sheet will also be impacted.	The Company is exposed to foreign exchange risk arising from various currency exposures, primarily with respect to USD, Euro, and Chinese Yuan. The Company's business model incorporates assumptions on currency risks and ensures any exposure is covered through the normal business operations. This intent has been achieved in all years presented.	As an estimation of the approximate impact of the residual risk, with respect to financial instruments, the Company has calculated the impact of a 1% change in exchange rates. A 1% strengthening of the INR against key currencies to which the Company is exposed at year end would have led to approximately an additional ₹ 24.05 Lakhs pre-tax gain in the Statement of Profit and Loss (2020-21 : ₹ 16.68 Lakhs pre-tax loss). A 1% weakening of the INR against these currencies would have led to an equal but opposite effect.

Notes to the Financial Statements

for the year ended March 31, 2022

POTENTIAL IMPACT OF RISK	MANAGEMENT POLICY	SENSITIVITY TO RISK
As at March 31, 2022, the unhedged exposure to the Company on holding financial assets and liabilities other than in its functional currency amounted to ₹5,575 Lakhs and ₹7,980 Lakhs respectively (March 31, 2021 : ₹ 5,143.82 Lakhs and ₹ 3,476.26 Lakhs)		A 1% strengthening of the INR against key currencies would have led to approximately an additional pre-tax gain of ₹ 820 Lakhs in the Statement of Profit and Loss (2020-21: ₹ 803 Lakhs pre-tax gain). A 1% weakening in currency prices would have led to an equal but opposite effect.
2. COMMODITY PRICE RISK		
The Company is exposed to the risk of changes in commodity prices in relation to its purchase of its raw materials especially corn, carton board, resins and palm oils.	The Company develops periodic financial forecasts based on commodity price forecasts by its procurement group and appropriate actions including selling price changes and cost saving measures to reduce the impact of commodity price changes is considered as part of the financial modelling.	A 1% increase in commodity prices would have led to approximately ₹ 564 Lakhs additional loss in the Statement of Profit and Loss (2020-21: ₹ 510 Lakhs loss). A 1% weakening in commodity prices would have led to an equal but opposite effect.

C MANAGEMENT OF CREDIT RISK

Credit risk is the risk of financial loss to the Company if a customer or other counter-party fails to meet its contractual obligations.

Trade Receivables

Trade receivables are subject to credit limits, controls and approval processes. A majority of customers pay prior to shipment, thereby reducing exposure to trade receivables significantly. Due to a large customer base, the Company is not exposed to material concentration of credit risk. Basis the historical experience supported by the level of default, the credit risk in case of trade receivable is low and so trade receivables are considered to be a single class of financial assets. (Refer Accounting Policy 1 B (i) on trade receivables).

The gross carrying amount of trade receivables is ₹ 22,812.56 Lakhs as at March 31, 2022 and ₹ 11,708.44 Lakhs as at March 31, 2021.

Other financial assets

The Company maintains exposure in cash and cash equivalents, term deposits with banks and investments in debt instruments. The Company concentrates its major investment activities with a limited number of counter-parties which have secure credit ratings, to reduce this risk. Individual risk limits are set for each counter-party based on financial position, credit rating and past experience. Credit limits and concentration of exposures are actively monitored by the Company's Treasury department.

NOTE 42 - CAPITAL MANAGEMENT

The Company's objective in managing its capital is to safeguard its ability to continue as a going concern and to optimise returns to our shareholders. The Company considers the following components of its Balance Sheet to be managed capital:

1) Share Capital, 2) Share Premium and 3) Other Reserves comprising of General Reserve and Retained Earnings.

The Company's capital structure is based on the Managements assessment of the balances of key elements to ensure strategic decisions and day to day activities. The capital structure of the Company is managed with a view of the overall macro economic conditions and the risk characteristics of the underlying assets.

The Company's policy is to maintain a strong capital structure with a focus to mitigate all existing and potential risks to the Company, maintain shareholder, vendor and market confidence and sustain continuous growth and development of the Company.

The Company's focus is on keeping a strong total equity base to ensure independence, security, as well as high financial flexibility without impacting the risk profile of the Company.

In order, to maintain or adjust the capital structure, the Company will take appropriate steps as may be necessary. The Company does not have any debt or financial covenants.

* Earnings available for Debt Service = Net profit after taxes + Non cash operating expenses like depreciation and amortizations + Interest + loss on sale of fixed assets

**Debt Service = Interest + Principle payments

*** Working capital = Current assets - Current liabilities

**** Capital Employed = Total Shareholders equity (Other equity + Equity Share capital) - Deferred Tax assets

Note 1 - Current ratio depicted higher than previous year, due to unpaid dividend of previous year, paid subsequent to year end.

Note 2 - Debt mainly pertains to lease liabilities which are on reducing balance. Equity is higher compared to previous year since the second interim dividend declared post year end for FY 2021-22.

Note 3 - Second Interim Dividend for FY 2021-22 declared post year end not accounted for the year resulting in higher Net worth and positive working capital compared to previous year. If impact of dividend is excluded, Net Working Capital employed has increased due to credit extended for receivables during year end.

Note 4 - Return on capital employed is similar to previous year excluding impact of dividend declared post year end FY 2021-22.
