Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

Review Report to The Board of Directors Colgate-Palmolive (India) Limited

- 1. We have reviewed the accompanying statement of unaudited financial results of Colgate-Palmolive (India) Limited (the "Company") for the quarter ended September 30, 2025 and year to date from April 01, 2025 to September 30, 2025 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
- The Company's Management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Statement has been approved by the Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

#### **NEWS RELEASE**

### Announcement of Results for the Quarter Ended September 30, 2025

- Q2 FY'26 Net Sales down by 6.3% y-o-y; +6.1% growth sequentially over Q1 FY'26
- Tough quarter on a high growth base, impacted by GST led disruptions
- Continued focus on investment behind brands
- First Interim Dividend @ Rs. 24 per share

**Mumbai, 23 October 2025**: Colgate-Palmolive (India) Limited announced its financial results for the second quarter ended September 2025.

**Results:** Colgate-Palmolive (India) Limited reported net sales of Rs. 1,507 Crore for the Quarter ended September 30, 2025, as compared to Rs. 1,609 Crore for the same period last year and against Rs 1,421 Crore for the Quarter ended June 30, 2025 reflecting a sequential growth of 6.1%. Net profit after tax for the quarter stood at Rs. 328 Crore as compared to Rs. 395 Crore for the same period last year. Excluding one-time impact of interest on tax refund in base year, profit declined by 7.2%.

#### Ms. Prabha Narasimhan, Managing Director & CEO of Colgate-Palmolive (India) Limited, said,

"During the quarter, GST rates on our entire oral care portfolio were reduced from 18% to 5%. We welcome this move by the government as this is a timely step in boosting consumer confidence while recognising oral health as a growing priority. We worked closely with all our customers to pass on lower prices to consumers from the effective date.

While we continued to navigate through a difficult operating environment, our second quarter performance also reflects the transitory disruption at distributors and retailers across channels caused by GST rate revision. Our first half performance cycles a high base of double digit net sales growth in the base period and we expect a gradual recovery in performance in the second half.

Our margin profile remains resilient driven by strong focus on execution of our Funding The Growth program. Despite topline headwinds, we remain committed to our long term strategic goals and continue to prioritize brand investments. The premium portfolio continued strong growth momentum led by Colgate Visible White Purple, our advanced whitening toothpaste.

In Q2, we introduced Palmolive's newest Moments body wash range, curated for distinct bathing moments during your day. The collection features three unique body washes infused

with 100% natural extracts and patented fragrance technologies. We also launched our latest campaign "CAVITY-PROOF" under the flagship Colgate Strong Teeth (CST) brand. The campaign goes back to the core of the brand - the confidence of mothers in Colgate Strong Teeth's advanced Arginine + Calcium Boost technology providing 24-hours non-stop anti-cavity protection to children.

#### DIVIDEND

The Board declared a First Interim Dividend of Rs. 24/- per equity share of face value of Re. 1/- each for the Financial Year 2025-26.
